Alan Matherne

Extension Agent
LSU AgCenter and Louisiana Sea Grant Marine Extension

Louisiana Marine Extension

Monday, August 10, 2015
Noon – 1:00pm
3540 Engineering Building

Alan Matherne specializes in coastal, fisheries, & wildlife outreach for Terrebonne, Lafourche, and Assumption parishes in Louisiana. Consisting of seventeen agents and specialists covering the Louisiana coast, the Louisiana Marine Extension team conducts outreach, education, and research programs for many and varied constituents. We make a difference in people’s lives through our educational programs.

Michigan State University is committed to providing equal opportunity for participation in all programs, services and activities. Accommodations for persons with disabilities may be requested by contacting Lori Larner (larner1@msu.edu).
