

ECE 202 Circuits and Systems II  
Fall 2007

Homework Assignment #1

Due (on or before): Wednesday, 9/5

- 1) Obtain the *ECE 202 Fall 2007 e-Notes* CD from the Ag Hall Document Center in Room 47 of Agriculture Hall (located north of North Kedzie Hall). Their normal hours are Monday-Friday, 8:00 a.m.-noon and 1:00 p.m.-4:45 pm. The cost is \$17 (cash only) and is required for every student in the course even if you are repeating the course because there are many new examples and topics that have been added. Please note that each CD case has a unique proof-of-purchase label on the back.

Your first homework assignment is to remove the proof-of-purchase label from the course e-Notes CD and staple or clear tape it to an 8.5 x 11" sheet of paper with your name clearly printed on it. You can turn this in at any class but the last day that it will be accepted is Wednesday Sept. 5th. It will carry the weight of one major homework assignment.

Please note that this CD is copyrighted and is protected under the U.S. Copyright Act. This act is very important for protecting the rights of authors of creative works. Under this you also have the right to make a printed copy of the material contained or replacement copies if needed. You do not have the right to copy the CD except for back-up purposes. You do not have the right to print the content for distribution to others. You do not have the right to post the files contained on the CD on the World Wide Web.

This is an ethics assignment indicating that you are honoring the U.S. Copyright Act.
