

ECE 410 Lab Grading Sheet
Lab 7

Student Name: _____

Instructions

Print this grading sheet, write your name at the top, and give it to the TA during your lab check off (by 4pm Friday). **Be prepared to answer Discussion Topics questions with the TA during the check off.** There is no report for this lab, so turn in this grading sheet to the TA after your check off.

Reminder: This lab should be done by each individual, **not** as a group.

TA Grading Section

Check Off

During your in-lab check off, be prepared to show the TA the following:
