

ECE 410 Design Project Grading Sheet
Proposal

Group Number: _____
Student Last Names: _____

Instructions

Print this grading sheet, write the names of your group members at the top, and give it to the TA during your proposal consultation (by 4pm Friday). Include this as the cover page to your proposal (due by the beginning of class on Monday).

TA Grading Section

Check Off

During your in-lab check off, be prepared to show the TA your draft proposal including the following:

- overall design concept
- function truth table
- work plan schedule
- division of labor

Date	TA	Score (0-5)

Use this time with the TA to answer any question you have regarding the design project or improving your proposal before turning it in.

Score

TA	Proposal Score (0-15)	Total Score (0-20)

TA Comments

_____ (of 5) Organization & Quality

_____ (of 10) Completeness & Depth of Planning
