

Admission to work in CMSC Laboratory requires all users to fulfill the following requirements.

1. Through the Office of Radiation, Chemical and Biological Safety, take the on-line course *Chemical Hygiene & Laboratory Safety / Hazardous Waste Initial Training*
http://www.hazmat.msu.edu:591/CHI/CHI_intro.htm
2. Through the Office of Radiation, Chemical and Biological Safety, take the on-line course *Security Awareness*
<http://www.hazmat.msu.edu:591/SAT/>
3. Through the Office of Radiation, Chemical and Biological Safety, take the on-line course *Compressed Gas Cylinder Safety*
http://www.hazmat.msu.edu:591/CGC/CGC_intro.htm
4. Review the Chemical Hygiene Plan, at
http://www.orcbs.msu.edu/chemical/programs_guidelines/chem_hygiene/chem_hygiene_plan/chp_full.pdf
5. After satisfying the above requirements, contact Michael Rich at rich@egr.msu.edu to schedule CMSC Safety Training, offered only by appointment. At this appointment, bring the *Application to Work in CMSC Laboratory* available at:
http://www.egr.msu.edu/cmhc/sites/egr.msu.edu/cmhc/files/content/CMSC-LabApp_0.pdf, and have the form signed by your adviser. Incomplete forms will result in postponement of the CMSC Safety Training.

Also, bring the *Informed Employee / Student Consent Statement* form:
<http://www.egr.msu.edu/cmhc/sites/egr.msu.edu/cmhc/files/content/CMSC-InformedConsent.pdf>

These forms can also be found on the CMSC website:
