

Faculty and Staff Honored at 15th Annual Awards Luncheon

The College of Engineering honored faculty and staff members for excellence in teaching and service at the 15th annual Engineering Awards Luncheon on March 31, 2005, at the University Club. The John D. and Dortha J. Withrow Endowed Teacher/Scholar/Service Award Program recognizes faculty of the College of Engineering who have demonstrated excellence in instructional and scholarly activities and rendered distinguished service to the university and the student body. The Gloria Stragier Award recognizes non-academic staff members for dedicated and creative service. The Withrow Student Service Award, which recognizes academic staff members who serve students, was presented for the first time this year. 🌸

Back row, left to right: **Clark Radcliffe**, professor, mechanical engineering, Withrow Teaching Excellence Award; **Timothy Grotjohn**, professor, electrical and computer engineering, Withrow Exceptional Service Award; **Rigoberto Burgueño**, assistant professor, civil and environmental engineering, Withrow Teaching Excellence Award; **William Northcott**, assistant professor, biosystems and agricultural engineering, Withrow Teaching Excellence Award. *Front row, left to right:* **Joyce Foley**, department accounting, electrical and computer engineering; Gloria Stragier Award for Dedicated and Creative Service; **Selin Aviyyente**, assistant professor, electrical and computer engineering, Withrow Teaching Excellence Award; **Abdol H. Esfahanian**, associate professor, computer science and engineering, Withrow Teaching Excellence Award; **Ramani Narayan**, professor, chemical engineering and materials science, Withrow Distinguished Scholar-Senior Award.

Left: **Carl Lira**, associate professor, chemical engineering and materials science, Withrow Teaching Excellence Award. *Center:* **Fang Z. Peng**, associate professor, electrical and computer engineering, Withrow Distinguished Scholar-Junior Award. *Right:* **Cynthia Sarver**, academic adviser, undergraduate studies/chemical engineering and materials science, Withrow Student Service Award. Sarver was recently promoted to assistant to the dean for student services.
