Welcome Back Issue

The Center Welcomes New and Returning Students

The Center for Spartan Engineering and the Spartaneering News would like to personally welcome you to the Fall 2008 semester. Our goal is to keep you informed and provide you with all the resources necessary to build your professional skills and make the most of your Spartan Engineering experience. We offer countless opportunities to hone your job hunting skills and polish your resume through our Tuesday Professional Development Seminar Series, resume critiques, employer networking sessions, student organization information, and walk-in advising.

This weekly newsletter is one way for you to keep up with all the exciting events this semester. For more information on jobs and employers, be sure to log-on to myspartancareer.com. Also, keep an eye out for Pre-Career Gallery seminars and workshops—it is never too early to begin preparing.

Feel free to stop in anytime and meet The Center staff— we are here to prove to you that Spartan Engineers are BUILT BETTER!
