# NO PLANS FOR SUMMER??

## Tip – Volunteering is a Valuable Experience

*Did you know?* Yes, employers look for students/grads that have volunteered. This is an experience & shows your commitment to community, industry, and others.

There are tons of great opportunities at MSU and elsewhere for volunteering. The Center for Service-Learning and Civic Engagement (<http://www.servicelearning.msu.edu/>) provides for MSU students with volunteering opportunities at MSU, in the Greater Lansing Area and all over the nation.

If you are feeling more adventurous there are plenty of volunteering resources outside of MSU such as Eco Surf Volunteers ([www.ecosurfvolunteers.org](http://www.ecosurfvolunteers.org)), where opportunities to rebuild school houses in Central America and surf lessons go hand in hand.

Volunteering shows engineering employers that you have the “experience” they want to see on your resume.
