

2008 ME Distinguished Alumni Award Nomination Form

The department invites you to consider nominating a distinguished ME alumnus for our newly established Distinguished Alumni Award. Nominations for 2008 are due by January 16, 2009. The winner is selected by the department's Academic Advisory Committee and the Board of Visitors.

Qualification Criteria

Must be a graduate of the Department of Mechanical Engineering/Engineering Mechanics and Manufacturing at MSU and have a minimum of 15 years' professional experience in an engineering or engineering-related field.

Selection Criteria

Is recognized as a national leader in engineering, engineering education, engineering-related sciences, or technical management. Please provide validation.

Has contributed in some meaningful way to the Department of Mechanical Engineering at MSU, the College of Engineering, and/or Michigan State University. Please provide validation.

Is actively involved in the community and has acted in private life in ways that reflect credit to the individual, the community, and Michigan State University. Please provide validation.
