

Dress Code

It is very warm in the Residence Halls during the summer months; however, classrooms are air-conditioned. Appropriate attire is mandatory at all times. ***The dress code will be enforced.***

Dress for classes, field trips to industrial sites and recreational activities are casual. Jeans or other washable casual pants, skirts or shorts; blouses, long-sleeved raincoat and sweatshirts; and tennis shoes are appropriate.

Dress for field trips to engineering firms, seminars and closing ceremonies is professional. Males are required to wear nice slacks, shirts and ties; females are required to wear skirts/dress slacks and blouses or dresses.

Students are representing you, the parents or guardians, your school, the program, and Michigan State University at all times.

Do Not Bring

- Tank tops
- Spandex
- Halter Tops
- Muscle Shirts
- Inappropriate Logos (e.g., profane, language, alcohol)
- Short Shorts
- Tight or Revealing Clothes
- Overly Baggy Pants
