

# Student Leadership Forum

ENGINEERING  
PHARMACEUTICAL  
INNOVATION

**Your Time is Now!**

## Are You Ready To Interview?

### Who Should Attend:

- Students interested in the pharmaceutical science and manufacturing industry as a career choice
- Students nearing graduation
- ISPE Student Chapter Officers and general Members
- ISPE Student Chapter Industry Advisors
- ISPE Student Chapter Faculty Advisors
- Professionals looking for student interns

### Students:

- Discover the latest information on hiring trends, skills required, and other useful tips to help you obtain a career in the pharmaceutical science and manufacturing industry
- Interact and network with some of the brightest minds from top companies
- Review résumés – be sure to bring several copies of your updated résumé

### Industry Professionals:

- Exchange ideas, information, and lessons learned from students, faculty and industry professionals
- Interact with the next generation of the pharmaceutical science and manufacturing industry
- Create brand awareness for your company
- Prospect for potential interns and employees

### Cost:

**COMPLIMENTARY** to Students, Faculty Advisors and those participating in Student Leadership Forum (includes lunch). Please RSVP to **Tracey Ryan** at [tryan@ISPE.org](mailto:tryan@ISPE.org) or register online at [www.ISPE.org/studentleadershipforum](http://www.ISPE.org/studentleadershipforum).

### Tentative Agenda:

- Welcome and introductions
- Empowerment skills
- Benefits of ISPE Membership
- Break for students to work on networking exercise
- Roundtables for professionals and students -- separate exercises centered around student activities and Student Chapter events
- Working lunch for students to work on networking exercise
- Discussion on interviewing guidelines and gaining insights into what the hiring manager is looking for in an interview
- Roundtable – student's personal résumé critique
- Discussions centered around future Student Leadership Forum events
- Wrap up for network activity
- Adjournment and final words
