

**Summer Research Internship
(Extended by Mechanical Engineering)**

College of Engineering
Michigan State University

Name _____ PID _____

Address _____

MSU e-mail Address: _____ Phone: _____

Major _____

Dept in which you would like to work (if not same as major) _____

To be eligible for this internship, students must be one to three semesters from graduation in Summer 2008. When do you plan to complete your B.S. Degree in Engineering?

December 2008 _____ May 2009 _____ August 2010 _____ Other _____

Attach a one page statement explaining how participation in this internship would relate to your career interests in research and graduate school. If you have specific research areas in which you would like to work, you may note them here. If you already have research experience, it should be noted on your resume.

Attach a one-page resume summarizing your academic and professional experience, achievements, extracurricular activities, service, etc.

Return to 2418 Engineering Building by January 15,2008. You may also email the application to the ME Graduate Program Secretary, Aida Montalvo (megradad@egr.msu.edu). You will be notified of your selection or non-selection by January 31, 2008. If selected, you are expected to make a firm commitment as to whether you will participate within two weeks after notification.

Note: The Department of Mechanical Engineering is extending the College of Engineering's Summer Internship program to include Fall 2008 ME Graduate Program applicants.
