College of Engineering Advisory Committee Meeting

May 9, 2012

Minutes

1. Attendees
S. Hashsham (CEE), M. Crimp (CHEMS), B. Cheng (CS). M. Prohaska (CEE), F. Jaberi (ME), D. Reinhold (BAE), Udpa (Eng)

2. Approval of Minutes
Minutes of the April 15, 2012 meetings were approved without correction.

3. Award Plaque Determination
ECAC discussed criteria for inclusion of awards on the CoE display plaques.

4. Review of College level issues in the ADAPP report
The Michigan State University Advancing Diversity through the Alignment of Policies and Procedures (ADAPP-ADVANCE) report was discussed.
Concern was raised about the survey techniques in regards the potential for women and minorities being identified due to low number of these in some departments. This may be the reason for the low responses from these groups.

5. Dean's Comments
There were no comments from the Dean.

Respectfully submitted
Martin Crimp, Secretary, Engineering College Advisory Committee
