- Relish the renowned Roman lifestyle
- Explore the rest of Italy and beyond. A perfect home base.
- Rome will change YOU!
Rome is a big city with major urban attractions. It is busy and fast paced.
But what give Rome its character are its neighborhoods.

*Trastevere* is one of the oldest and most beautiful, a small town in the big city.
Where is Trastevere and John Cabot University?
JCU has two main campus buildings located in heart of historic Trastevere neighborhood:

The Guarini campus
The Tiber campus
Who Was John Cabot?

Italian sailor and explorer John Cabot was born Giovanni Caboto around 1450. Cabot traveled by sea to Canada, where he made a claim to land for England, mistaking the North American land for Asia.

In early May of 1497, Cabot left Bristol, England, on the **Matthew**, a fast and able ship weighing 50 tons, with a crew of 18 men.

Today, “The Matthew” is the JCU student newspaper.
