1. **Attendees**
M. Crimp (CHEMS), F. Salem (ECE), M. Gaustad (Grad), L. Dillon (CSE), P. Kwon (ME), P. Mantha (CEE), C. Gunderud (SEC), L. Kempel (Acting Dean)

2. **Approval of minutes of September 20, 2013**
Minutes were approved with minor change.

3. **Discussion of Applied Computation and Data Science program(s) at MSU**
Dean Kempel gave background on discussions and proposals for Computational Modeling, Data Mining, and High-Performance Computing cluster hiring initiative. Proposals for M.S., Ph.D., and certificate programs. Discussion ensued.

4. **College Faculty Meeting**
The agenda for the CoE Faculty Meeting, October 17, 2013, was finalized.

5. **Remarks from the Acting Dean**
- Central administration funding is available for the Brain Initiative.
- Position proposals are being developed.
- The central administration is discussing a building for integration of science and engineering.
- The career gallery was a great success.

6. **Selection of members for the Dean Search Committee**
ECAC discussed the representatives provided by the various stake holder groups. From a number of nominations, ECAC selected Theodore Caldwell and Laura Genik as staff representatives. CHEMS has yet to provide a representative.

Respectfully submitted
Martin Crimp, Secretary, Engineering College Advisory Committee
