Minutes of the Engineering Undergraduate Studies Committee (EUSC)

November 16, 2016

Present, EUSC: Buch (DE), Genik (AES), Kirk (BAE), Owen (CSE), Rothwell (ECE), Murillo (CMSE), Nicholas (CHEMS), Frahm (Student), Morford (Student)

Absent, EUSC: Mahapatra (ECE, UCC), Brereton (ME), Masten (ENE),

Also present: Idema (DE), Pease (DE), Lunt (CHEMS)

1. Agenda: APPROVED

2. Minutes of November 2, 2016 were APPROVED

3. A new course EGR 440 Engineering Entrepreneurship was APPROVED. There is a college and university wide emphasis to encourage and promote entrepreneurship. In response to this demand, a new Minor in Entrepreneurship and Innovation is now being offered university wide, however there are limited offerings from the College of Engineering. The goal is to expand these offerings as they relate to engineering.

4. Entrepreneurship & Innovation Experience Options (E&I Options) were discussed. It was clarified that students will submit a request to complete an E&I Option in a course and the instructor may approve or deny it.

Meeting was adjourned at 1:00 pm

Respectfully submitted,

Neeraj Buch
Secretary
