1) To the optimist, the glass is half full.
To the pessimist, the glass is half empty.
To the engineer, the glass is twice as big as it needs to be!

2) Normal people ... believe that if it ain't broke, don't fix it.
Engineers believe that if it ain't broke, it doesn't have enough features yet.

Final exam policy and schedule can be found at: http://www.reg.msu.edu/

Top Ten Places to go On Campus:

1) Sparty Statue- this one's pretty self-explanatory. Go Green!
2) The Beaumont Tower- the tower is a symbol of MSU, so why not check it out? It's a great place to hang out with friends and study. Fun fact about the Tower: it is rumored that if you kiss someone under the Tower, you are destined to marry him/her!
3) Spartan Stadium, Breslin Student Events Center, Munn Ice Arena- MSU is known for being one of the nation's leading universities in athletics. While watching an MSU game of football, basketball, volleyball, or hockey on TV is great, nothing compares to being in one of these athletic facilities watching the action.
4) Rapids behind the Hannah Administration Building- The grass by the rapids are a great place to study and chill. The rapids are also the best place on campus to feed the ducks, so grab some bread and your books and check it out!
5) Beal Botanical Gardens- Located behind the Main Library and IM Circle, this is a great place to go and relax and enjoy the scenery.
6) The Union- The Union is a great place to go for fun, studying, group projects, and food! The Union has a full-size bowling alley and pool tables that are free on Thursday nights and pretty cheap the rest of the time. There are tons of tables to study and do group projects at. The Union also houses the Dairy Store and restaurants like Union Pizzeria and McAllisters.
7) Dairy Store- MSU makes their own ice cream from the cows to the cone. You can't go wrong with flavors like Sesquicentennial Swirl, Buckeye Blitz, and Final Four Fudge Dribble! MSU Dairy Stores are located in the Union and Anthony Hall.
8) Main Library- With tests and finals approaching, the Main Library is a great place to study! There are quiet study areas and group areas, so there is something for everyone! You can even order food and get it delivered there! If you are there studying late, the Library provides escorts to walk you home when it's dark, so you can stay there late into the night.
9) Well's Hall- free movies Thursday through Sunday, need I say more?
10) Children's Gardens/ Annual Trial Gardens- A great place to enjoy the scenery of MSU. The gardens in the spring are beautiful!
