The largest, most interactive product exhibit truck in the industry. Join us on the Tour!

Michigan State University
Monday, September 10 • 4:30pm - 8:00pm

Bosch is a leading global supplier of technology and services with more than 300,000 associates. In 2011, we generated sales of $71.5 billion in the areas of automotive and industrial technology, consumer goods, and building technology. Meet us on campus and learn more about Bosch!

▶ Test our video surveillance, access control, and fire detection systems.
▶ Hear our dynamic audio demonstrations and try our radio dispatch and control products.
▶ Meet with Bosch associates to learn about our entry-level opportunities!

The truck will be located just off of Wilson Road on the southeast side of the Engineering Building at 428 S. Shaw Lane, East Lansing, MI 48824. Food and beverages provided.
