**Dairy Plant Worker:**

For more than 100 years, the Michigan State University Dairy Plant has produced the famous ice cream, cheese, and cookie sandwiches that are served in the Dairy Store. Our products delight consumers all over, from students and faculty right here on campus to first-time visitors seeking a taste of the Spartan experience.

Members of the Dairy Plant team are integral in producing these tasty treats that bring joy to Dairy Store customers. We are looking for students who want to be part of serving the Spartan community through fun, flexible, on-campus work. Previous food production experience is not required!

**Responsibilities:**

- Assist in the production of ice cream, cheese, cheese curds, and cookie sandwiches made by the Dairy Plant
- Correctly package and label all products made by the Dairy Plant
- Clean and sanitize all production equipment used by the Dairy Plant as outlined by written guidelines and in-person training
- Completely and accurately fill out all required quality control documentation
- Participate in general upkeep of Dairy Plant facilities in a way that promotes order, cleanliness, and safety of both food and employees
- Perform weekly cleaning and maintenance tasks assigned by Production supervisors
- Perform all other tasks assigned by Production supervisors

**Requirements:**

- Previous work experience in any field is preferred
- Ability to work in a fast-paced environment with minimal supervision
- Ability to complete all assigned tasks in a timely and efficient manner
- Strong work ethic and attention to detail
- Be able to lift up to 50 pounds and be on feet for extended periods of time
- Self-motivated and team-oriented attitude
- Follow all Good Manufacturing Practices, Sanitary Standard Operating Procedures, and other required safety and task-specific training as outlined by the Dairy Plant
