Career Preparation

These events and opportunities are your gateways to internships, professional networking and full-time employment – you have to attend – no excuses. Please participate!

Local Internships & Student Jobs in Handshake (416)

Attached “Local Internships & Jobs 5-16-18.xlsx” is a list of 163 current internship opportunities (plus 253-part time jobs) that are either on MSU’s campus (or with an MSU department away from campus) or in the Lansing area. All 416 internships and part time jobs are posted in your Handshake account at the CareerNetwork.msu.edu website.

It pays to apply for jobs as soon as possible as employers sometimes close postings quickly. You can learn more about AND apply for jobs through the free online Handshake service.

Once at Handshake, you'll need to fill out your profile and upload your resume. With your profile and resume in place, you'll be able to search for job openings and submit applications by clicking on the "Apply" button in the job description or following the employer’s instructions.

Here’s how to quickly locate a specific job posting in Handshake:
Log in to your student account in Handshake at msu.joinHandshake.com
Copy and paste a Job ID number from the attached spreadsheet into the search box
Click search, click on the job title, read the details and apply if appropriate

Good luck with your student job or internship search!

MSU Career Services Network
Full Time

Jackson County Conservation District - CTAI Engineer
The Jackson Conservation District is currently seeking a Conservation Technical Assistance Initiative (CTAI) Engineer. The engineer will be responsible to work with individuals in the agricultural community to conduct field investigations, complete topographic and bench-level surveys with a total station and survey grade GPS equipment, prepare engineering designs, and oversee construction on a variety of agricultural practices. These practices may include agrichemical containment facilities, livestock, watering facilities, grade stabilization structures, grassed waterways, sedimentation control basins and wetland restoration projects. The individual will gain substantial hands-on field and design experience and will be expected to work in adverse weather conditions.

Entry level pay will be $22.50/hour. Benefit packages are available. Interested applicants must submit a resume, official transcripts, and a cover letter indicating relevant experience no later than June 1, 2018. Information should be submitted electronically to Lori.Fitzgibbons@mi.nacdnet.net. For questions regarding this posting please contact Lori Fitzgibbons, District Manager, Jackson County Conservation District at 517-395-2093.

Application Deadline: June 1, 2018.

JBT FoodTech
I heard from another alum who indicated that JBT Foodtech is hiring for his old position. If you are interested, please let me know, and I will connect you.
