MSU Jobs Fair - Today, June 23, 1-4 pm

Career Services has launched a new virtual career fair designed to help MSU departments find student employers for fall semester (and this summer!) Please help encourage students to attend, as appropriate. Thanks!

MSU Jobs Fair – thousands of on campus jobs
June 23
1:00 – 4:00 pm
Online in student Handshake accounts
Student Preview page: https://app.joinhandshake.com/career_fairs/24847/student_preview
Registration opens June 9 – and students can then start signing up for video chat sessions with employers!

The MSU Jobs Fair is all about helping you find opportunities for student jobs and internships with MSU departments. Since on campus activities were limited for the past year, MSU departments did not employ very many students. Plans for Fall semester for a return to campus are under way and many MSU departments will need to hire/re-hire students! (Did you know that pre-Pandemic, MSU typically employ more than 17,000 a year?)

Participating MSU departments will include thousands of student work opportunities with a dozen Residential & Hospitality Services departments along with a handful of other popular on-campus student employers: RecSports, Impact 89FM student radio, MSU Libraries, Neighborhood Student Success Collaborative, and MSU Greenline.
