BE Club - Career preparation night - September 21, 6:30 pm

Who: All BE and interested students

What: BE Club will host a career preparation night with ASABE professionals. Do not miss this opportunity to have a resume critique, practice your elevator speech, and learn tips and tricks for a virtual interview.

When: Monday, Sept. 21, 2020, 6:30 – 7:30 pm

Where: https://msu.zoom.us/j/99664221311  passcode BECLUB

Special Virtual Walk-in Advising Common Hour --- Tuesdays 9-10 am

Dr. Reese and John Denny have set up a common virtual walk-in advising hour to jointly assist students with academic and career questions. Other BAE faculty/staff will join as their schedules allow.

Join any time within the hour using https://msu.zoom.us/j/92440122739 or dial +1 646 876 9923, +1 301 715 8592, +1 312 626 6799, +1 669 900 6833, +1 253 215 8782 or +1 346 248 7799

Career Events

Please mark these dates and times on your calendars now! This includes first-year students, who can use these events for career exploration, professional networking and finding part-time jobs or even internships. These events are your gateways to internships, professional networking, and full-time employment – you must participate – no excuses.

Fall 2020 Career Events – Virtual, Virtual, Virtual... BE Exchange is Tomorrow!

The first virtual career fair kicks off last Friday! But, did you know that you can start scheduling 1:1 with employers TODAY! That is right, Handshakes new virtual platform allows you to create your schedule for the event ahead of time! There are capacity limits for the information sessions so you should RSVP NOW if it is a company you are really interested in.

***Keep checking back for 1:1 availability and new sessions as many employers are still entering sessions/schedules***

Keep scrolling for instructions for signing up, a complete list of career fairs and a to-do list to help you get ready!
HOW DOES A VIRTUAL CAREER FAIR WORK?

Head over to the fair you are interested in attending (links below) and Register to Attend. From there you will be able to search the list of attending employers and start signing up for sessions and 1:1 schedules!

**What is a session:** Think of a session as an information session. The company will be giving a presentation about their company and available positions. This is an effective way to learn more about a company! Sessions are 30 minutes and you will be joined by other students.

**What is a 1:1:** This is a meeting with an individual representative. The chat is only 10 minutes, so it is not an interview. Just a chance to have a direct conversation with someone at the organization.

1. Click the Available Sessions tab in the upper-left of the page, below the fair title and date/time. (Tip: You can use the filters on this page to narrow down the displayed list of employers!)

2. When you locate an employer that you would like to sign up for a session or 1:1 with, look for the information to appear below the employer name and description.

3. Click on the name of the session or 1:1 you’d like to sign up for. *(Your profile privacy may need to be adjusted in order to sign up for sessions.)*
Here are some additional resources to help you prepare and learn how to sign up! Plus check out this video that lets you preview the experience!

UPCOMING VIRTUAL CAREER FAIRS

Engineering Partners Showcase | Tues, Sep 15 | Noon - 3:00 pm | This career fair will feature our most committed and connected employer partners that are looking for interns, co-op, and full time candidates across all engineering majors.

MSU Virtual Engineering Exchange 2020 | September 11 - 18 | Seven Sessions (by Major) | The Engineering Exchange is a career fair that encourages networking between students, alumni, and recruiting professionals that will open the door to co-op, intern, and full-time opportunities.

1. BioSystems Engineering - Thursday, September 17, 2020, 12:00 pm - 3:00 pm EDT
2. Computer Science + Data Science Engineering - Thursday, September 17, 2020, 4:00 pm - 7:00 pm EDT
3. Civil + Environmental Engineering - Friday, September 18, 2020, 10:00 am - 1:00 pm EDT
4. Electrical + Computer Engineering - Friday, September 18, 2020, 1:00 pm - 4:00 pm EDT

MSU Virtual Engineered in the Mitten Exchange 2020 | October 2nd | Noon - 4pm | This Career Fair will highlight a range of summer and fall internship / co-op experiences, as well as full-time gigs following graduation across the state.

PREPARE FOR VIRTUAL FALL

1. Get you resume WHO Ready.
2. Keep searching and applying for positions on Handshake. Check out the Hottest Jobs on our twitter @MSUENGINEERS.
3. Also, check out Kyle's webinar Job Search Tips with Kyle
4. Apply for our Resume Books. This year we will be sending employer resume books prior to Engineering Exchange. Make sure you have applied for the appropriate resume book...AFTER you update your resume.
5. Check out our webinar on Attending a Virtual Career Fair
6. Get tips on Virtual Interviewing
7. Attend an upcoming Virtual Webinar! We have sessions on Resumes, Preparing for Fall Recruiting and Virtual Interviews

CONNECT WITH US

Walk-In advising is currently suspended. General inquiries should be submitted to careers@egr.msu.edu.

To schedule an advising appointment, contact the appropriate staff member:

- **Graduating Seniors, Negotiations, Alumni**: Garth Motschenbacher – 517-432-6570 | motschen@egr.msu.edu | Schedule via Calendly
- **1st-5th year students in EGR X (formerly EGR 393) or wanting information about EGR 393 Sophomores interested in Career Planning**: Bernadette Friedrich - 517-432-6571 | friedric@egr.msu.edu | Schedule via Calendly
- **Any student interested in Co-op/Intern Planning**: Kyle Liechty – 517-432-6572 | liechtyk@egr.msu.edu | Schedule via Calendly
- **First Year students**: Rachel Mangiavellano – 517-432-6575 | leonerac@egr.msu.edu | Schedule via Calendly

Alumni Assistance
You went to Handshake to sign up for a 1-on-1 and everything was taken. BE Alumni are watching out for you. If you are interested in EJ Gallo or , I have contacts for you.

EJ Gallo Winery Recruiting BAE Majors

Hello Dr. Reese, hope you are doing well! I will be recruiting for EJ Gallo Winery for our rotational program opportunities and internship opportunities in the Virtual Engineering Exchange for Biosystems Engineering on Thursday. I only have one more 1:1 session available on Thursday (9/17). If there are
Biosystems Engineering students who are unable to get a 1:1 session with me and are interested in either internships or full time rotational programs within the Winery, please forward my contact information below to them. I am more than happy to answer any questions about the company/opportunities the students may have.

Email: Jillian.Toaso@ejgallo.com

Thanks and Go Green!

Arcadis - A (Virtual) Familiar Face at the Career Fair

Hi Dr. Reese,

A positive outcome of virtual career fairs is that there are no transportation costs! As a result, I am happy to say that I will be representing Arcadis at the Civil/Environmental Career Fair on Friday from 9-12. I discussed it with our lead recruiter, and she agreed that it was appropriate to also extend this to Biosystems Engineering.

Later today I'll forward a more formal/detailed invitation that can be passed along to students, but I wanted to put this on your radar as soon ASAP.

Sending positive thoughts and good vibes for what I imagine is the craziest career week yet!

Wolverine Engineering - opportunity for a recent graduate

Subject: CAREER OPPORTUNITY for Recent Graduates

Hello Dr. Reese,

I hope this email finds you well. This is Danielle Smith from the BAE Class of 2017. I am reaching out to you today because the civil engineering firm that I work for (Wolverine Engineers and Surveyors, Inc. in Mason, MI) has recently lost a couple of employees and we are looking to hire some fresh minds. Our official posting can be found at https://wolveng.com/careers/, but I would to clarify something: whereas the posting says that a candidate must have 4+ years of experience, we are in pretty desperate need of engineers with drafting abilities nowadays. Anybody who has experience in and is comfortable with AutoCAD should feel free to apply. Alternately, anybody with engineering experience but who is shaky with AutoCAD is welcome as well. We are only looking for full-time staff so recent graduates are ideal. I figured you may know of somebody from last year’s class with a fantastic internship in the past or something to that effect. At the very least I thought perhaps you could put us in your bulletin.

If there is anything you may need from me to make that happen, please let me know. I would be happy to answer any questions that potential candidates may have as well.
Wishing you the best in this interesting time we live in.

Thank you for your time.

Kindly,
Danielle M. Smith, Engineer
Wolverine Engineers & Surveyors, Inc.

Internship/Part time

Local or Remote Work Internships & Student Jobs in Handshake (836)
Attached “Local & Remote Internships Jobs 9-16-20.xlsx” is a list of 740 current internship opportunities (plus 96 part-time jobs) that are either on MSU’s campus, in the Lansing area, or offering remote work. All 836 internships and part time jobs are posted in your Handshake account at the CareerNetwork.msu.edu website.

It pays to apply for jobs as soon as possible as employers sometimes close postings quickly. You can learn more about AND apply for jobs through the free online Handshake service.

Given the current situation with health concerns and social distancing, please understand that many of the local Lansing area jobs posted in Handshake may have modified hiring processes or start dates. Students are still encouraged to apply where appropriate, while also appreciating that employers continue to face uncertainty about student employment and internship opportunities.

Once at Handshake, you will need to fill out your profile and upload your resume. With your profile and resume in place, you will be able to search for job openings and submit applications by clicking on the "Apply" button in the job description or following the employers instructions.

Here is how to quickly find a specific job posting in Handshake:
1) Log in to your student account in Handshake at msu.joinHandshake.com
2) Copy and paste a Job ID number from the attached spreadsheet into the search box
3) Click search, click on the job title, read the details, and apply if appropriate

Important: The MSU Career Services Network is still open for business! Visit our Virtual Career Center to learn about virtual career advising, virtual career events, the Handshake job posting system, and resources to help students explore career interests, find internships and jobs, and become career ready.
