BE Study Room - a place to meet, hang out, and study

The BE Study Room is open via Zoom! Come hang out with fellow BE students and do homework or study. The E-board has signed up so you know someone will be in the study room before you go. No sign up is necessary just come hang out. A schedule of who plans to be in the study room next week is attached. Feel free to use it whenever, even if we aren't there!
Here's the link for the Study Room: https://msu.zoom.us/j/94619359667
(This is not the same link as the BE Club meetings FYI!)

Special Virtual Walk-in Advising Common Hour --- Tuesdays 9-10 am

Dr. Reese and John Denny have set up a common virtual walk-in advising hour to jointly help students with academic and career questions. Other BAE faculty/staff will join as their schedules allow.

Join any time within the hour using https://msu.zoom.us/j/92440122739 or dial +1 646 876 9923, +1 301 715 8592, +1 312 626 6799, +1 669 900 6833, +1 253 215 8782 or +1 346 248 7799

STEM Career Fair - September 30 & October 1 has moved to Handshake - Registration is open. Sign up for group and 1-on-1 sessions. 91 employers on Wednesday and 73 employers on Thursday are attending - many that hire BE graduates!

Please mark these dates and times on your calendars now! This includes first-year students, who can use these events for career exploration, professional networking and finding part-time jobs or even internships. These events are your gateways to internships, professional networking, and full-time employment – you must take part – no excuses.

** Important steps to take on Handshake - msu.joinhandshake.com **

1. Set up your account if you have not done so.
2. Check your profile and this is especially important! Your expected graduation date and major is set once and not automatically updated. This might block you from applying or registering for a 1-on-1 sessions if your major or expected graduation date is wrong. You can add minors and concentrations. Check to see if your information is visible to companies. https://support.joinhandshake.com/hc/en-us/articles/227140787
3. Register for the career fair.
4. Signup for group and 1-on-1 sessions ASAP. These fill up.
5. Follow companies - this will send you alerts and updates for the company’s activity on Handshake. If you find 1-on-1 sessions full, you should get an alert if more time slots are added.
6. Handshake has its own video conferencing camera system. Test your camera in advance. https://support.joinhandshake.com/hc/en-us/articles/360051037914-Handshake-Video-Requirements-Troubleshooting-
7. Be on time for your scheduled sessions.

CAREER FAIRS:
We are now using the Handshake platform for all career fairs this fall – to participate you will need to register before the fair using the following steps:
1. Create or Update your Handshake Profile (make sure grad dates and profile information is correct)
2. Upload you most recent resume (have it reviewed)
3. Register for Career Fairs
4. Once Registered, sign up for 1 on 1 sessions with employers and group sessions. These are being posted this week – keep checking back often, they are available first come, first served.

Internship/Part time

Local or Remote Work Internships & Student Jobs in Handshake (728)
Attached “Local & Remote Internships Jobs 9-23-20.xlsx” is a list of 626 current internship opportunities (plus 102 part-time jobs) that are either on MSU’s campus, in the Lansing area, or offering remote work. All 728 internships and part time jobs are posted in your Handshake account at the CareerNetwork.msu.edu website.

It pays to apply for jobs as soon as possible as employers sometimes close postings quickly. You can learn more about AND apply for jobs through the free online Handshake service.

Given the current situation with health concerns and social distancing, please understand that many of the local Lansing area jobs posted in Handshake may have modified hiring processes or start dates. Students are still encouraged to apply where appropriate, while also appreciating that employers continue to face uncertainty about student employment and internship opportunities.

Once at Handshake, you will need to fill out your profile and upload your resume. With your profile and resume in place, you will be able to search for job openings and submit applications by clicking on the "Apply" button in the job description or following the employers instructions.

Here is how to quickly find a specific job posting in Handshake:
1) Log in to your student account in Handshake at msu.joinHandshake.com
2) Copy and paste a Job ID number from the attached spreadsheet into the search box
3) Click search, click on the job title, read the details, and apply if appropriate
Important: The MSU Career Services Network is still open for business! Visit our Virtual Career Center to learn about virtual career advising, virtual career events, the Handshake job posting system, and resources to help students explore career interests, find internships and jobs, and become career ready.

**Kellogg Internship Opportunities 2021**

The University Relations Team is excited to announce the campus recruiting season has begun! The job postings for the 2021 Kellogg Internship Program are now live on the Kellogg Career’s website.
