BE Club - Gene Ford - Standard Process - April 5, 6:30 pm

Who: All BE and interested students

Join the BE Club for a presentation from Gene Ford. Gene is Vice President R&D, at Standard Process, the visionary leader in whole food nutrient solutions based in Palmyra, Wisconsin. He has more than 25 years of experience in domestic and international product development, manufacturing, logistics, and sales within the consumer food industry. Gene holds B.S. and M.S. degrees in Agricultural Engineering and an Executive M.S. degree. Highly involved in the department as a member of the BAE Industry Advisory Board for multiple years and project client for multiple senior design projects, Gene will share a wealth of insights and tips to current BE students. Gene was the 2011 College of Engineering BAE Distinguished Alumni Award Recipient.

Do not miss this session!

When: Monday, April 5, 2021, 6:30 – 7:30 pm

Where: https://msu.zoom.us/j/91923252879 passcode BECLUB

Weekly virtual Walk-in Advising - Tuesdays - 12-1 pm

Dr. Reese and John Denny have set up a common virtual walk-in advising hour to help students with academic and career questions. Other BAE faculty/staff will join as their schedules allow.

Join any time within the hour using https://msu.zoom.us/j/92440122739 or dial +1 646 876 9923, +1 301 715 8592, +1 312 626 6799, +1 669 900 6833, +1 253 215 8782 or +1 346 248 7799

Career Services Network Spring Workshop Series

Visit Handshake (msu.joinhandshake.com) and click events to register and receive ZOOM link for each workshop.

Sharing Your Story: Writing Resumes and Cover Letters
  • April 6, 3:00 - 4:00 PM (EST)
How to Make Your Personal Statement Stand Out
  • April 12, 3:00 - 4:00 PM (EST)
You Majored in What?
  • April 7, 7:00 - 8:00 PM (EST)

Career Services Network will be hosting several virtual Drop-In Advising events to help with resume reviews for career fairs and the job search, as well as overall preparation for our upcoming career fairs!
you know of any students who are looking for career fair prep and/or a fast resume review, we have advisors ready to help them for virtual drop-ins on these dates:

Tuesday, April 6, 5 pm - 7 pm EDT

All these events are listed on Handshake (msu.joinhandshake.com) under “CSN Drop-In Advising”, as well as on our website under “Learn About Drop-In Services”.

Training & Certification Engineer -- Environmental Engineer 9-P11/12

EGLE - Environmental Engineer - Water Resources Division
The Michigan Department of Environment, Great Lakes, and Energy (EGLE) is currently recruiting for an Environmental Engineer 9-P11 position within the Water Resources Division. This position is located at Constitution Hall, 525 W. Allegan Street, Lansing, MI. Interested applicants must apply through NEOGOV.

If you are interested in obtaining more information or applying for this position, click on the link below.

RS Hanline - Production Supervisor

Good Morning Everyone, here is a position with the RS Hanline Group out of Ohio. We have had several students work with the Hanline Group.

If you are interested in applying, please submit a cover letter and resume to:
Zackary Miller  millerz@rshanline.com
Human Resources Director
RS Hanline & Company Inc
https://www.rshanline.com/
Deadline to apply is March 31

Position Title: Production Supervisor
Position Summary:
R.S. Hanline is seeking a Production Supervisor who can provide day-to-day supervision and leadership skills. This individual will plan and assign work; implement policies and procedures; help to increase subordinates’ skills and capabilities; and recommend improvements in production methods, equipment, operating procedures and working conditions.
Responsibilities:
• Ensure effective employee relations; Provide employee coaching and development; Make employment decisions; Resolve employee issues through problem resolution.
• Balance quality, productivity, cost, safety, and morale to achieve results in all areas. Work to continuously improve in all areas.
• Manage departmental performance measures, including visual controls and provide regular progress reports to managers.
• Coach and counsel employees; document/discuss performance reviews on a timely basis.
• Perform accident investigations.
• Maintain proper inventory counts.
• Manage department priorities.
• Track absenteeism and timekeeping.
• Responsible for all other duties as assigned

Qualifications:
• 1-3 years supervisor experience or leading a team
• Bachelor’s degree from an accredited 4-year college
• Ability to maintain safe work environments.
• Leadership: a demonstrated ability to lead people and obtain results through others.
• Planning: an ability to think ahead and plan over a 30-day time span and prepare action plans to achieve results.
• Supervision: Including employee hiring and retention, performance review, coaching, counseling, and corrective action.
• Measurement of performance to goals and standards.
• Systems and continuous improvement orientation.
• Quality orientation and high attention to detail.
• Problem analysis and resolution.
• Ability to problem solve and make informed immediate decisions
• Inventory management.
• Strong interpersonal and communication skills.
• An ability to manage multiple priorities.
• Able to manage a production team of anywhere from 4 to 55 employees.
• Strong team player.

Internship/Part time

**EGLE - Student Assistant - Remediation & Redevelopment Division**
The Michigan Department of Environment, Great Lakes, and Energy (EGLE) is currently recruiting for a Student Assistant within the Remediation & Redevelopment Division. This position is located at 3350 N. Martin Luther King Blvd. Lansing, MI. This position is open to all and interested applicants must apply through NEOGOV.

If you are interested in obtaining more information or applying for this position, click on the link below.

**EGLE Internships**

Hello Dr. Reese,

I ended up talking to the EGLE student internship coordinator, Sanda Philpott-Burke, regarding a question from Annaliese and found out that EGLE is planning to pilot a virtual internship program beginning in May of this year. If you want to let students know.
Sandra indicated that students interested in the internship program can directly contact her via email (philpott-burkes@Michigan.gov) and should include a copy of their resume to aid in matching students and supervisors via interests.

Sincerely,

Matthew

Matthew Herman, Ph.D
Nonpoint Source Environmental Engineer
Water Resources Division
Michigan Department of Environment, Great Lakes, and Energy
HermanM2@michigan.gov

Disney College Program & Disney Professional Internships
Leadership from the Disney College Program & Disney Professional Internships recently emailed an update explaining that while their college student programs remain “on pause”, their intent is to resume these popular professional development programs at A Time To Be Determined. “More to come…” as they say. They also shared a new notification system for helping to keep interested students (and college staff/faculty) informed about program updates. Sign up to receive communication for the Disney College Program or Disney Professional Internships at the following:

https://jobs.disneycareer.com/college-program-opt-in
https://jobs.disneycareer.com/professional-internships-opt-in

Local or Remote Work Internships & Student Jobs in Handshake (992)
Attached “Local Remote Internships Jobs 3-16-21.xlsx” is a list of 831 current internship opportunities (plus 161 part-time jobs) that are either on MSU’s campus, in the Lansing area, or offering remote work. All 992 internships and part time jobs are posted in your Handshake account at the CareerNetwork.msu.edu website.

It pays to apply for jobs as soon as possible as employers sometimes close postings quickly. You can learn more about AND apply for jobs through the free online Handshake service.

Given the current situation with health concerns and social distancing, please understand that many of the local Lansing area jobs posted in Handshake may have modified hiring processes or start dates. Students apply where appropriate, while also appreciating that employers continue to face uncertainty about student employment and internship opportunities.

Once at Handshake, you will need to fill out your profile and upload your resume. With your profile and resume in place, you will be able to search for job openings and submit applications by clicking on the "Apply" button in the job description or following the employer’s instructions.

Here is how to quickly find a specific job posting in Handshake:
1) Log in to your student account in Handshake at msu.joinHandshake.com
2) Copy and paste a Job ID number from the attached spreadsheet into the search box
3) Click search, click on the job title, read the details, and apply if appropriate
Important: The MSU Career Services Network is still open for business! Visit our Virtual Career Center to learn about virtual career advising, virtual career events, the Handshake job posting system, and resources to help students explore career interests, find internships and jobs, and become career ready.

LEED Training Special - East Lansing - Spring Online Webinars
Lorne Mlotek <info@leadinggreen.com>
Sent: Tuesday, March 16, 2021 12:58 PM
Subject: Invite - LEED Training Special - East Lansing - Spring Online Webinars - To Share

I hope you had a good weekend and thank you for your past support as these will be my final webinars of the year! Normally in the spring I return to East Lansing to teach sustainable LEED workshops, however this semester I will be hosting identical workshops completely online. The exam can now be taken online too!

Do you mind forwarding the invite below to all students and faculty in The Department of Biosystems and Agricultural Engineering at Michigan State University? (cc me on the message too if possible or just shoot me a quick reply). Students can also use the discount code ‘green’ for $50 off the course price!

LEED is simply a sustainability scorecard for green buildings. As buildings can become LEED Certified, people can become LEED accredited! The best way to break into the sustainability space is to attain the LEED Green Associate. It also shows employers and clients you have certified knowledge in the field. Since the LEED GA exam does not have a stellar pass rate, the value of the extra letters behind your name will carry even more weight.

My workshops have helped 10K students and professionals learn the material cold (important for interview prep) AND clear the exam with a very high passing rate. The LEED Professional Designation has helped past participants attain internships and jobs and now is a great time to add this credential.

LEED Green Associate (GA) Training - Webinar and Online self-paced options:

I will be offering live webinars that can be streamed on any of the following dates:
1. March 27, 2021 – 1:00PM – 5:30PM EST
2. April 16, 2021 – 3:00PM – 7:30PM EST
3. May 8, 2021 – 1:00PM – 5:30PM EST
4. June 5, 2021 – 1:00PM – 5:30PM EST
5. July 17, 2021 – 1:00PM – 5:30PM EST
6. August 26, 2021 – 5:00PM – 9:30PM EST - OR -
7. On-demand recordings completed at your own pace
   A. LEED AP BD+C (Level 2) – May 15, 2021

The above options (1-7) are all identical.

Register for a live webinar or start today with our on-demand recorded workshop completed anytime at your own pace here - https://leadinggreen.com/online

This course is instructed by a USGBC Faculty member and is the most effective way to pass. The USGBC charges a $100 (reduced for students) fee for the actual exam which can now be taken online from home. Save money by reserving your spot today and make a positive difference in your career!
Cost: $200 - Students can use the coupon code ‘green’ for $50 off (Discounted course price $150)

Save your seat by registering here for our live or self-paced options - https://leadinggreen.com/online

Please contact the instructor Lorne directly with any questions at info@leadinggreen.com
