Welcome aboard, Aimee Reynolds! Aimee is the new CoRe secretary. We are very excited that she joined the CoRe team!

"Breaking The Glass Ceiling" by Jereshia Hawk

CoRe students had a fun-filled and interactive evening amidst tacos, mocktails, visa gift cards and a presentation on “Breaking The Glass Ceiling” by Jereshia Hawk, a professional engineer with Consumers Energy Corporation. Jereshia inspired and motivated our young engineering students to continue their degree programs and live up to their aspirations, and to never quit!
