Michigan – Louis Stokes Alliance for Minority Participation (MI-LSAMP)  
2017 Summer Undergraduate Research Academy (SURA)  
at Michigan State University

Program sponsored by the  
National Science Foundation

Directions:

Please read carefully and complete all items. Incomplete information may delay the processing of your application. Review of applications will begin immediately; however applications will be accepted on a rolling basis until all spots are full. **NOTE: Applicants must be U.S Citizens or Permanent Residents.**

### PERSONAL INFORMATION

Name:

Last ___________________________ First ___________________________ Middle ___________________________

Mailing Address: __________________________________________

City: ___________________________ State: _______ Zip: _______ Home No.: (   ) ___________

Cellular No.: (   ) ___________

Work No.: (   ) ___________

Date of Birth: ________________ (mm/dd/yyyy) Gender: □ M □ F

Email Address: __________________________________________

Ethnicity (optional): □ African American □ Asian

□ American Indian □ Hispanic

□ Caucasian □ Other (specify): ___________________________

### ACADEMIC / RESEARCH

Current Institution: __________________________________________

What is your Academic Concentration and GPA? :

What grades have you received in your Science, Technology, Engineering and/or Math courses? :

Research Interests: __________________________________________

Previous Research Experience: __________________________________________
### ACADEMIC / RESEARCH

Relevant Coursework taken in Science, Technology Engineering, and Math:

- ____________________________________________________________
- ____________________________________________________________
- ____________________________________________________________

Awards/honors:

- ____________________________________________________________

Extracurricular Activities:

- ____________________________________________________________
- ____________________________________________________________
- ____________________________________________________________

List other engineering, math, technology, science, or special programs (e.g., DAPCEP, GRAPCEP, LSAMP Summer Program, REU’s, DPO, Drew, REPID {Research Education Program to Increase Diversity in Health Researchers}, and IDEAS {Increasing Diversity and Education Access to Sciences}) in which you have participated.
