F-1 OPTIONAL PRACTICAL TRAINING (OPT)
SPECIAL 17-MONTH EXTENSION

What is OPT?
Practical work experience in your field of study, typically after completion of a degree for a maximum of 29 months (12 months of “regular” OPT with a 17-month extension possible).

Who is eligible for the 17-month OPT extension?
- Students who have already been approved for 12 months of post-completion OPT; and
- Who have earned a degree in a field included on the US Government’s list of Science, Technology, Engineering, and Mathematics (STEM) fields; and
- Who are employed in a job directly related to his/her field of study; and
- Who are working for an employer that is enrolled in the US Government’s E-Verify program.

Please Note: All four of the above criteria must be met in order for a student to be eligible for the 17-month OPT extension.

Is my degree in a STEM field?
Please refer to the list of all MSU majors which correspond to the official list of STEM fields. If a student earned a degree under one of these majors, he/she may be eligible for the 17-month OPT extension. The list may be viewed here: http://www.oiss.msu.edu/optchanges_04_18.php.

What is E-Verify?
E-Verify is a database system operated by the Department of Homeland Security in partnership with the Social Security Administration. It allows participating employers to electronically verify the employment eligibility of newly-hired employees. E-Verify is currently voluntary in most states. For more information visit www.dhs.gov/e-verify.

When should one apply for the 17-month OPT extension?
Students must apply for the special 17-month OPT extension prior to the expiration of the first 12 months of “regular” OPT. The application must be received by USCIS prior to the expiration date of the first OPT period in order to be properly (timely) filed.

What happens while the application is pending?
If the application for the 17-month OPT extension is successfully received prior to the expiration of the first OPT period, students may continue employment until the application is processed or until 180 days have passed, whichever is sooner.

Additional Information
Reporting requirements during the 17-month extension:
Students approved for the 17-month OPT extension have additional reporting requirements in order to maintain their status and work authorization.
- Students must report to the MSU OISS within 10 days if there is any change of:
  o Legal name

Revised: 04/18/2008
Students must make a validation report to the MSU OISS every six months to confirm name and address, employer name and address, and continuation of employment. The report is due within 10 days of the six-month reporting date. (See page 6 for more details on reporting requirements)

Limitations on Unemployment:
Students approved for the 17-month OPT extension may not accrue more than 120 days of unemployment during the total 29-month period of OPT. Employment must be paid and must be related to the field of study in order to qualify. Self-employment and volunteer positions will not qualify as valid employment for OPT purposes during the special 17-month OPT extension.

17-Month Extension Available Once:
The special 17-month extension of OPT is only available to each student one time. A student who is approved for a 17-month OPT extension can never apply for it again. Please note that this rule is different from the application rules for the "regular" 12-month OPT, under which students could be approved for multiple OPT periods for each higher degree earned in the US (i.e. bachelor’s, then master’s, then doctoral).

Starting and Ending Dates:
The start date of the 17-month OPT extension will be automatically set to the day after the expiration of the current 12-month OPT authorization. The end date will be 17 months later. (It is not possible to request smaller increments of time for the OPT extension.)

Application Procedures for Students:
1. Assemble the following documents. If you are located within a reasonable distance of MSU, please meet with an advisor during walk-in advising hours (Mon-Fri, 1pm-3pm). If you are located far away from MSU, please send OISS copies of all of the following documents either via email attachment to oiss@msu.edu or via fax to 517-355-4657. (Incomplete submissions cannot be processed.)

- Completed I-765 form – can be downloaded at [http://www.uscis.gov/files/form/I-765.pdf](http://www.uscis.gov/files/form/I-765.pdf). Please note: the answer for #16 is (c)(3)(C). The answer for #17 under “Degree” should be the 6-digit code appearing next to "Primary Major" at the top of page 3 on your I-20. Please obtain E-Verify information from your employer. The E-Verify number is always 5 to 6 digits long.
- Photocopy of the front and back of your current Employment Authorization Document (EAD card; also called OPT card).
- Photocopy of your MSU diploma or official MSU transcript showing your conferred degree.
- Photocopy of the front and back of your I-94 card.
- Photocopy of the picture page / expiration date of your passport.
2. OISS will prepare a new I-20 for you. In most cases your I-20 will be ready in 3-5 business days. We will notify you via email once it is ready. If you are located close to MSU, you may come to the office to pick up your new I-20. If you are located far away from MSU, you may authorize a friend to pick up your I-20 or we can send it to you either via regular mail at no charge or via FedEx shipping if you provide us with your address, telephone number, and credit card information to pay for shipping charges.

3. Checklist for mailing your application to USCIS:

☐ PHOTOCOPY of pages 1 and 3 of your new I-20 endorsed for the 17-month OPT extension. (Do not send the original.) Make sure to sign your new I-20 before you make the photocopy.
☐ Completed I-765 form.
☐ Photocopy of the front and back of your current EAD card (also called OPT card).
☐ Photocopy of your MSU diploma or official MSU transcript.
☐ Photocopy of the front and back of your I-94 card.
☐ Photocopy of the picture page / expiration date of your passport.
☐ Two full frontal / passport-style photos (see example attached) taken within the past 30 days. Gently print your name and SEVIS ID number on the back of the pictures.

4. Sending your application:
We recommend that you send your OPT application via U.S. Postal Service (USPS) Certified Mail or through a courier service (examples: FedEx, DHL, UPS). There are four USCIS Service Centers in the United States that process I-765 (OPT) applications. The address you use on the I-765 determines where you should send your application (see next page).
5. Within approximately two weeks of sending your application you will receive a Notice of Action. This is proof that you have an application pending with USCIS. The Notice of Action will contain your Receipt Number (“LIN number”). You can use this number to check your case status online at www.uscis.gov (in the lower right corner).

6. If you successfully file the application for your 17-month OPT extension prior to the expiration of your current 12-month OPT period, you may continue employment even if your previous EAD card is expired until your OPT extension is processed or until 180 days has passed, whichever is sooner.

7. If your OPT extension is approved, you must send a photocopy of your new EAD card to OISS.

8. Please see “During the 17-month OPT Extension” on the next page for more details on how to meet the requirements for properly maintaining your F-1 visa status.

- Valid passport (make sure it is valid at least 6 months into the future at time of re-entry)
- Valid F-1 visa stamp
- I-20 endorsed for OPT with a travel signature less than 6 months old
- Unexpired EAD card
- Confirmation of employment letter from your US employer

Revised: 04/18/2008
Please note: If you have an expired F-1 visa and you plan to make a short trip to Canada, Mexico, or adjacent (Caribbean) islands, please consult an OISS advisor or visit our page on Automatic Revalidation: http://www.oiss.msu.edu/students_travel_autorevalid.php

If you are subject to Special Registration (NSEERS), please make sure to use official ports of departure to exit the US and allow sufficient time at airports and land crossings to complete the required exit interview (even if traveling to Canada or Mexico).

Ending Your OPT

Your F-1 status remains valid until 60 days after the expiration of your EAD card. During this 60-day grace period, you are no longer authorized to work, however you may legally stay in the US. If you depart the US during the 60-day grace period, you are no longer eligible to re-enter under your previous F-1 visa status.

• If you plan to return home after the end of your OPT, please make sure that you depart the US before the end of your 60-day grace period.
• If you plan to change your visa status, we recommend you begin this process before your OPT is expired.
• If you plan to start a new degree program at another college or university, please make sure to contact OISS regarding the transfer of your SEVIS record. Transfers must be done before the end of the 60-day grace period.
