### **THE CO-PRESIDENTS' FAREWELL MESSAGE**

One year ago, few of us would have predicted that the 2021 – 2022 MSU Community Club year would be another year of COVID challenges, but it was. As they did during 2020 – 2021, club members rose to the occasion and had another successful year.

Technology has been our friend again this year, allowing us to hold three of our scheduled programs on Zoom and the fourth as a hybrid, available for both in-person attendance and Zoom access. Zoom also allowed some of our Interest Groups to meet on-line, offering access to all, especially those who are unable to attend in-person.

Many thanks to all the board members. They consistently fulfilled their duties, attending board meetings, giving reports, and making decisions that affected the club. Programs and events were planned, dues were collected, memberships were recorded, Interest Groups were supported, newsletters were sent, history and photos were archived, the slate of officers and directors was filled, the website was maintained, and MSUCC's mission of granting scholarships continued. Board members' dedication to MSUCC ensured that the club had a successful 99<sup>th</sup> year of existence.

Here are some things to celebrate as this club year ends.

- We had our first hybrid meeting on March 18.
- The Spring Luncheon will be held on April 21, for the first time since 2019.

- The 2022 – 2023 board assumes their duties for the next year on May 2, with a full list of elected and appointed officers and directors.
- MSUCC will mark its 100<sup>th</sup> year of existence in 2023.
- MSUCC will host the Big Ten Women's Conference in 2023.

As our term as co-presidents ends, we welcome the incoming Board and wish them a successful 2022 – 2023. This has been an interesting and challenging year and we thank all those who have contributed to making it successful.

## **MSUCC SPARTAN QUILTERS HELP WANTED**

MSUCC is hosting the Big Ten Women's Clubs Conference in June of 2023, and the quilters have agreed to make tote bags for the attendees. To achieve this goal, the quilters are requesting donations of upholstery fabric which can be used to make the bags. If you have leftover upholstery fabric lying around, the quilters would be forever grateful for your donation. We plan to start making bags this Spring,

To donate fabric, please email or phone Martha Schwab at [mmschwab17@gmail.com](mailto:mmschwab17@gmail.com) or 517 676-7041.

MSUCC held its first in-person meeting since 2020 on March 18! The program was also available on Zoom at the same time. Our first hybrid meeting!

Thanks to Program Co-Chairs Grace Nicodemus and Joanne Schutz for organizing this fun event. Many thanks to Harold Mondol, husband of Dottie West, for making the video recording, editing it, posting it on YouTube, and helping with the presentation at the March 18 meeting. And thanks also to Dawn Pysarchik and Martha Schwab for sharing their knowledge about using the MSUFCU's technology equipment.

Ten models wore outfits from Chico's as Jill Milan, assistant store manager, described what they were wearing and interacted with the models. The models for the show were: Camilla Davis, Sandy Gebber, Helen LeBlanc, Grace Nicodemus, Dawn Pysarchik, Joanne Schutz, Roberta Staton, Dottie West, Jennifer Ziesman and Amanda Zinn.
