

Welcome to the 2022-2023 MSU Community Club Year!

The Board sincerely appreciates your loyalty through the Covid pandemic and the shutdowns necessary to keep us all safe, and we hope that you will join us again this year as we hopefully move toward a “new normal”. The 2022-2023 Club year promises to be eventful and exciting as we celebrate 2023 as the 100th year of the founding of our Club and as we host the Big Ten Women’s Clubs Conference in June, 2023. The Board is again planning for our general membership meetings with interesting and knowledgeable speakers and a visit to a new STEM facility, and for special events such as our holiday reception and our Spring luncheon. As always, members are invited to bring spouses and guests to our meetings and special events.

We look forward to the September Welcome Reception again being the enjoyable afternoon we remember from years past as we visit with old and new friends, sign up for membership in the club and interest groups, learn more about those groups and the Big Ten Women’s Clubs Conference, and meet our 2021-2022 scholarship winners.
