MSUCC SCHOLARSHIP UPDATE

Three outstanding students from the MSU College of Nursing were selected by the MSUCC Endowed Scholarship Committee to receive scholarships, each for \$2,500, for the 2019-20 academic school year. Each student was honored and recognized at our spring luncheon. The students are:

- Alexandria Adams, MSUCC Karen Harsh Endowed Scholarship
- Kendall Austin, MSUCC Endowed Scholarship
- Allison Dunlap, MSUCC (Faculty Folk) Irene Arens Endowed Scholarship

We're so proud of our MSU students and are looking forward to selecting another group of outstanding students to receive our endowed scholarships for the academic year, 2020-21.

Many thanks to all who have supported the MSUCC Endowment. An especially big thank you goes to members of our MSUCC Endowed Scholarship Committee, many of whom have been faithful scholarship committee members for years.

FIBER ARTS INTEREST GROUP FORMING

The Fiber Arts Interest Group is open to anyone who knits, crochets, weaves (with a portable loom), embroiders or is involved with another fiber art. The idea is to get together with others, while working on our own projects, share what we're doing, and possibly exchange ideas or tips. We'll meet early evening once a month, possibly at Woven Art Shop on Grove Street in East Lansing, or in a home. We'll work out the meeting day and time once we know who is interested. If there are people who would like to meet during the day (or twice a month, once in the evening and once during the day), someone will be needed to help with arrangements for the daytime group.

All levels of ability are welcome – and who knows, you might learn a new fiber art skill! If you're interested please contact Jean Zwier at 517-381-9534 or visit the Fiber Arts table at the Fall Reception.

VOLUNTEERS FOR MSU OFFERS TWO NEW OPPORTUNITIES

The Volunteers for MSU Interest Group has created, in the past, opportunities for members to facilitate Reflection Circles for students taking Service Learning courses. As the Reflection Circles are being revamped this year, we have identified three new areas for volunteering with MSU initiatives, with opportunities that allow flexibility for snow birds, single day, short-term and long-term commitments to accommodate the diversity of the Community Club members.

Community Volunteers for International Programs (CVIP) offers opportunities to become involved in the International Friendship Program, The Lending Center, and the Volunteer English Tutoring Program.

MSU AgeAlive is a campus program for all ages that was established to promote quality of life and well-being throughout life by connecting and enhancing aging related research, education and services.

There will be an information table at the Fall Reception.
