The Society of Applied Engineering Sciences is a student organization whose purpose is to promote and foster interest for the Applied Engineering Sciences major. It is our goal to inform future and current engineering students about the opportunities available to them through the AES major. Members also benefit from increased exposure to companies recruiting MSU engineering students.

Some of the events we hold for our members are:

- Resume workshops
- The AES career gallery
- Interview Advice meeting
- Technical Sales Seminar
- AES alumni lunch
- Professionalism meeting
- Company culture meeting
- Pre-Finals Study session
- Also provide SAES gear such as t-shirts

With the number of AES students and SAES members increasing, holding all of these events while providing food at every one can add up. We want to keep the membership dues very reasonable, which is why, for the first time we are seeking out corporate sponsorships. Having sponsors would allow us to provide more to our members while keeping dues at the same price so we can continue to grow.

There are two levels of sponsorship, Silver and Gold, and here is how you would benefit from each one:

**Gold - ($1,000)**
- Priority when scheduling your next meeting with us
- Your corporate logo on:
  - Our website (http://egr.msu.edu/saes)
  - A poster board that is at every meeting we have
  - Our display board in the middle of the Engineering Building
  - Our club’s T-shirts that ever member receives
- Entrance Fee for Fall AES Company Gallery ($100 Value)

**Silver - ($500)**
- Priority when scheduling your next meeting with us
- Your corporate logo on:
  - Our website (http://egr.msu.edu/saes)
  - A poster board that is at every meeting we have
- Entrance Fee for Fall AES Company Gallery ($100 Value)

We would greatly appreciate your support. If you decide to become a sponsor please fill out the form and follow the instructions. Thank you for your time.
Society of Applied Engineering Sciences
Sponsorship Form

Name___________________  Company_________________

Email ___________________  Phone #__________________

Corporate Sponsorship level (circle one) - Silver-$500  Gold-$1,000

Payment can be made via check out to Michigan State University and specify that it is for The Society of Applied Engineering Sciences

The filled out form and check can be mailed to the following address:

Amanda Idema
Michigan State University
428 S. Shaw Lane, Rm 1415
East Lansing MI, 48824
