Absent, EUSC:

Also present: Fiasky (DE), Pease (DE), Hinds (DE), Delgado (RCAH)

1. **Agenda:** APPROVED

2. **Minutes** of October 21, 2021 APPROVED

3. Tim Hinds and Vincent Delgado were present to discuss the proposed Design Justice Minor. This newly designed minor is a collaboration between EGR and RCAH and would be open to any undergraduate student at MSU. Courses will give students the opportunity to see how design and justice relate critically to each other in the pursuit of justice, sustainable communities. Experiential learning activities as well as design projects will be available. Proposal was APPROVED with minor language changes in the course listing.

4. The MSE Program change was APPROVED and will be effective FS22. The change includes updates to the Biomedical Materials Engineering concentration and the Polymeric Engineering concentration.

5. A CHE 201 course change was APPROVED. This course is taught during the summer and the change will reflect the summer offering so students can plan accordingly. The change will be effective FS22. Course changes for CHE 472, CHE 473 and the CHE Program change were tabled due to lack of time to discuss.

6. The CMSE 495 Course change was also tabled due to a lack of time.

Meeting was adjourned at 10:00 am

Respectfully submitted,

Amanda Idema
Secretary
