1. Minutes of January 13, 2022 APPROVED

2. AESC 210, 310 and 410 course changes were APPROVED. Changes include adding fall offerings to AESC 210, spring offerings to AESC 310, and updating the AESC 410 course description to reflect University policies with regard to non-disclosure agreements.

3. Proposal from the University Committee on Honors Programs (UCHP) was shared with EUSC to gather feedback on three components: an Honors College capstone, an Honors College sophomore seminar, and bridge course for Academic Scholars students moving into the Honors College. Pros and cons of each were discussed, especially in light of ABET requirements and already lock-step curricula, and feedback was collected to provide back to UCHP.
