Minutes of the Engineering Undergraduate Studies Committee (EUSC)

September 8, 2022

Present, EUSC: Idema (DE), Genik (AES), Safferman (BAE), Gates (CEE), Yang (CMSE), Owen (CSE), McGough (ECE), Tai (ME), Boehlert (MSE, UCC), Saripalle (Student), Stakits (Student)

Absent, EUSC: Ofoli (CHE)

Also present: Fiasky (DE), Pease (DE)

1. Agenda: APPROVED

2. Introduction of members

3. Election of Chairperson: Laura Genik was elected to chair the committee for the 2022-2023 academic year.

4. Minutes of March 24, 2022 were APPROVED.

5. Per Dean Kempel’s announcement in the spring, the College of Engineering will be pursuing a new major in Engineering Technology, with concentrations in various areas, depending on industry demand and student interest. Major will be housed in UGS, with slightly different college requirements and entirely different major requirements. Discussion among members regarding future ABET accreditation of the major, resources, and timeline.

6. Other Business: ABET visit for 9 undergraduate programs is September 18-20, 2022. Discussion about upcoming visit.

Meeting was adjourned at 9:45 am

Respectfully submitted,

Amanda Idema
Secretary
