Spain

Universidad Pontificia Comillas, ICAI School of Engineering, Madrid, Spain

Semester(s) Available:
Summer 2019: 8 weeks
Fall 2019: 18 weeks

Minimum Credits:
Twelve (12) for Summer 2019
Twelve (12) for Fall 2019

Program Application Deadline(s):
03/15/2019 for Summer 2019
03/01/2019 for Fall 2019

Scholarship Information:

Courses:
CSE491
ME444
ME461
MSE426
MTH235
MTH309

Host Institution Website:
http://www.icai.comillas.edu/en/

Requirements:
Minimum GPA 2.00

Cost:
The budget for this session is still pending. Please check the web for updates.

Tuition is not included for most programs. See program’s webpage for details.

This program will expose students to the practice of engineering in a culturally different environment. Students will study at the Universidad Pontificia Comillas, ICAI School of Engineering in Madrid, Spain. Madrid is the capital of Spain and the political and financial center of the country. Students will have the opportunity to visit many cities surrounding Madrid such as Toledo, Seville, and Barcelona while studying engineering at the ICAI School of Engineering. Four engineering students each semester will engage in courses that satisfy sophomore, junior and senior requirements for Material Science and Engineering, Chemical Engineering, Electrical Engineering, computer Science and Engineering, or other engineering programs.

More details about this program can be found at...
