Lansing STEM Academy
Date: (Tentative) Thursday, Oct. 1
Time: (Tentative) 12:00 - 1:00p
Contact: Laine Knapp, Vivian Spencer
msu.swe.stem@gmail.com

We will be volunteering at the Lansing STEM Academy with 4th grade classes throughout the semester, bringing them engineering related activities and lessons with each visit. Contact us if interested in coming to our first event!

WOW! That’s Engineering!
Date: Saturday, November 7
Time: 10:00 - 4:00
Contact: Carlie Allen, Olivia Miller
msu.swe.wow@gmail.com

Event for girls grades 4-8 to learn about different kinds of engineering. WE NEED VOLUNTEERS! Please apply for a subcommittee position by Thurs, Sept 24.

Volunteering at Lansing Haven House
Date: Monday September 28th
Time: 6-8pm
Contact: Sarah Egbert egberts2@msu.edu

Haven House provides emergency housing and support services for one-parent and two-parent families with children. We will be leading youth activities and playing with kids or helping them with homework.

Possible groups to get involved in on campus
Date: 9/23
Contact: Lucia DelVillano

Linda Lay, Undergraduate Research Ambassador
lindalay1996@gmail.com
Come talk to me if you are interested in pursuing undergraduate research here at MSU! Ask me about the Engineering Summer Undergraduate Research Experience, and study abroad opportunities for research!

Abby Onchiri
Onchiria@msu.edu
Michigan State University Women in Computing (MSU WIC) is an organization of students and faculty (both men and women) who work to recruit, support and retain women in computing fields. If you are interested in computing, Computer Science and Computer Engineering majors especially, we would love to see you at our next meeting.

We host many events during the semester, including tech talks from visiting companies (every other Tuesday), hackathons, Girl Scout workshops, web development workshops, and workshops. Upcoming events include: Lunch with USAA at 12 on September 28th, a lunch with Google on September 29th, and a tech talk with Dynatrace on Oct 6th. Like our facebook page at:

Sita Syal
sita.syal@bp.com
Sita Syal grew up in East Lansing as the eldest child of an MSU professor and went to the University of Michigan in Ann Arbor where she studied Chemical Engineering (B.S.E.) and Energy Systems Engineering (M.Eng.). During her time at Michigan, she was involved in the Women in Science and Engineering program, music, and engineering work in developing communities. Sita currently lives in Houston where she is a process engineer for BP on the largest semi submersible offshore platform in the Gulf of Mexico. She aspires to be involved in transforming the energy industry to provide a higher quality of life to people around the world. In her free time, Sita likes to cook, compete in triathlons, and travel. Feel free to contact Sita if you have any questions for her sita.syal@bp.com!
Sign up to become a national member!
Date: 9/23
Contact: Nicole Traitses (traitse1@msu.edu)

Sign up to become a national member of the Society of Women Engineers. National members are eligible to attend conferences, apply for scholarships and more! The best deal is a collegiate to career membership for $50 where you will have your membership for your entire college career and 1 year of professionalism. Alternatively, you can sign up for a yearly membership for $20. To sign up, go to swe.org, put your cursor over the membership tab and then press join!

Pre-Gallery Co-op/Intern Exchange 2015!
Date: 9/29/2015
Time: 1-4pm
Contact: Nicole Traitses (traitse1@msu.edu)

See more information below.

Gallery
Date: 9/30/2015
Time: 2-6pm
Contact: Nicole Traitses (traitse1@msu.edu)

Looking for an intern/co-op/ full time job? Attend the Pre-Gallery event specific to engineering students in the courtyard and the Career Gallery happening the next day in the Breslin. Bring your resume, look sharp and impress those companies!

---

**SWEster of the Week!**

**Carlie Allen**
Biosystems engineer
Sophomore

Hi, I’m Carlie. I’m from Saginaw, MI. I am very passionate about sports! I have played soccer, volleyball, track, and swimming. My favorite sport to watch is football though, Go Lions! I plan on going into food safety and my dream job is to work for Kellogg!

**Olivia Miller**
Computer Science
Sophomore

I am a bit new to SWE still but I am really excited to get involved this year, ESPECIALLY in planning this year’s WOW! Event. This past summer, I interned at Fiat-Chrysler and I hope to get an internship with Google next summer. I have trouble resisting the urge to dance to music, I wear pajama pants EVERYWHERE, and I spend a lot of time in my dorm room doing paint by numbers and watching Netflix.
