Hello SWEsters!

Today the Executive Board is presenting on benefits for attending conferences, how to get the most out of them, and general etiquette. We will make this interactive, so be ready to move around! This weekend is the SWE Region H Conference, which is for all the professional and collegiate SWE sections in Region H (eight states). In March, we will host the Great Lakes State Conference, for all collegiate SWE sections, largely in Michigan. See the GLSC blurb further into the biweekly. Lastly, in October, the SWE Annual Conference will be in Houston, a conference that draws SWE sections from around the country! There are more conferences happening on and off campus, big and small, and you can always get something out of them, as long as you know what you’re looking for. Enjoy the presentation!

Hello Lovely SWE Ladies!

Thursday March 1st is going to be our third trip this semester to the Ronald McDonald House and we need about five volunteers. It is a lot of fun and if you haven’t had a chance to come with us yet, I highly recommend it. If you are unable to make it this month, we are going to continue going once a month for the rest of spring semester. We also have a Relay for Life team with Phi Sigma Rho. You can go to relayforlife.org and join our team and help raise money for the American Cancer Society. We are also trying to plan other fun and exciting volunteer opportunities, so if you have any ideas or questions, please feel free to let us know!
