There are only a few more meetings before the end of the year, so make sure to participate in as many events as possible to get points! April 10th will be Election Day so start thinking about what you’d like to run for and if you have any questions feel free to ask!

Hey SWE ladies! Thank you to anyone who helped out with t-shirt sales the week before spring break. It was much appreciated! We are going to plan to have at least one more t-shirt sale during the semester, and we would love to have more of girls come volunteer to help sell the shirts. Keep a look out for an email with dates that we will be selling the shirts again. I hope everyone had a great week away from classes!

Outreach

We finally made it to Lansing STEM the Friday before spring break! It went really well. The kids were a lot of fun. There are some pictures on the Facebook page if you want to see more of what we did. We are getting things situated to figure out a more set schedule of when we can go. Once we get that figured out we will let you all know. We are looking forward to go again, and if you are interested in coming with us, just let us know, and we can try and figure something out. Have a good week!
