Hi everyone! As the semester starts coming to a close be thinking about elections! They will be **April 10th**, our next general meeting. Look for an email in the next week with descriptions of each position and don't be afraid to ask questions! I urge you all to run for something and get more involved with SWE! Also be sure to go to events to get points for end of the semester prizes, and become a national member!

Casey O'Donohue

Jennifer graduated in 1996 from Western Michigan University’s College of Engineering and Applied Sciences with a degree in Mechanical Engineering and a minor in Management. Jennifer joined Stryker as an intern while still a student at WMU. She began her career as a manufacturing engineer and over the last 18 years has held roles of increasing responsibility in manufacturing, research and development, IT, marketing, customer care, and communications. Jennifer currently serves on the WMU Alumni Association Board of directors and on the Council Board for the Greater Kalamazoo chapter of Girls on the Run.

Kelly graduated from The Lyman Briggs College of Science at MSU with a degree in Clinical Laboratory Science. She received her Masters from MSU in Biomedical Laboratory Diagnostics with a minor in Business. She has worked at Stryker for the 8.5 years, starting as a an advanced quality engineer, then moving into engineering management. Kelly has held positions in technical marketing, sales and now human resources, all while at Stryker. Kelly serves on the advisory board for the Michigan State College of Natural Science STEM committee and is a coach for Girls on the Run in greater Kalamazoo and speaks.

Jennifer and Kelly are both apart of the affinity group Women in Stryker Engineering (WISE). The initiative of WISE is to bring talented female engineers to the global business of Stryker.

I can’t believe I only have two more weeks serving as your secretary! Don’t forget to talk to E-board about running for positions! Come hang out with me and other SWEsters for our final SWE events before we all leave for the summer or for LIFE! We still have a lot of fun things planned, so don’t miss out!

Maureen Berryman
berym17@msu.edu

Hey SWEsters! The semester is about to wrap up (whoa does time fly!) and we would like to do one more t-shirt sale before the end of the semester! We are going to try to coordinate a “SWE Garage Sale” so we will not only have the Spartan Engineering shirts from this year selling for $10 but other items that SWE designed from previous years at a discounted price. We will be doing this at the beginning of April before it gets too close to finals week. Please look out for a doodle survey to help sell shirts. We would really appreciate it! Have a great rest of your week!

Hey everyone! Sign up to make dinner at the Ronald McDonald House on **Sunday, April 7th**! Also, Relay for Life is less than a month away, **April 19th**! Make sure you sign up on the link, [http://main.acsevents.org/site/TR/RelayForLife/RFLC Y13GL?pg=entry&fr_id=48412](http://main.acsevents.org/site/TR/RelayForLife/RFLC Y13GL?pg=entry&fr_id=48412). Click on "sign up" then "join an existing team." Type in "Phi Sigma Rho and SWE." From there, just enter in your information to join. It's going to be a lot of fun, so make sure you sign up!!! If you have already signed up, continue to fundraise! If you have any questions about these events, feel free to ask us.

**Outreach**

We will be going back to Lansing STEM on **Thursday from 9:30-10:30**. We will be doing a few different experiments with pennies, and it should be a lot of fun getting to show them some other things that engineers work with. If you are interested in coming with us, just let us know. We have people that can drive you if needed. It is going to be a lot of fun and only lasts an hour, so if you are at all interested, come talk to us. We want you all to come out once at least!

Hope everyone is having a great week. The year is starting to wrap up and things get busy, but we still have some fun things for you to do. Come take a break from studying and head out to out SWE Picnic on **April 14th**! Also we have a game night with Triangle on **April 5th**. Make sure to sign up. Any questions at all, don't hesitate to ask us!

**Member Relations**

Hello SWEsters! Can you believe there are only 5 weeks left of this semester? I sure can't! As the close of the semester approaches, we have a lot of good opportunities to get involved in. Also, elections are coming up, so keep an eye out for an e-mail from me about the different positions. If you are a national member, and have been attending a lot of events, you will need to be present at the election meeting to receive your prize! Go Green!

**Corporate Relations**

Hello ladies! Can you believe that we’re wrapping up the year already? I just wanted to say thanks to everyone for being a part of SWE this year and being involved. It really does mean a lot to me! I also wanted to say thanks for electing me as your Corporate Relations chair. I definitely enjoyed it. We do have one more meeting for elections on **April 10th**, so if you're interested in learning about the positions or even running for a spot, don't forget to go. If you have any questions about the Corporate Relations chair, what it entitles, or even about E-board in general, don't be afraid to ask me. Good luck with the rest of the school year and finals. Have an amazing summer, and I hope to see you all at elections!

**Banquet**

Banquet went very well this year, and it was a very good time for the people that attended! Please let us know if you have any comments or recommendations! Thanks!

**Day with SWE!**

Hello SWEsters!! Huge shout out to everyone who helped make the Day with SWE event last Thursday a success. We really appreciate all your help and couldn't have done it without you!! We got a lot of really good feedback from all the girls that came and participated, so hopefully we will be able to make it an annual event. Thanks again!
