I really encourage you to run for executive board elections on April 14th. E-board members work hard, have a lot of fun and you become great friends. If you have anymore question please go to our website at www.egr.msu.edu/swe

Hey SWE!
Tonight we have the pleasure of having Basak Oguz from Whirlpool presenting on "A Global Working World."
This is the last SWE meeting of the year that we will have a company presenting. If you have any companies you'd like to speak next year or any topics you'd like presented in the future, please let me know! I encourage each of you to consider running for an executive board position at our elections on April 13th!

Hey Ladies!
All of you should consider running for an e-board position on the 13th of April! I have made so many connections and met some of my best friends from college here. It is a great society to be a part of!

Hi SWE,

I hope everyone has been doing well!
We are doing t-shirt sales again! Since last semester's design was a hit and we sold out very fast, we are selling them again. Look for an e-mail very soon with more information on signing-up to help sell the shirts. I really appreciate everyone's help!

Have a great week,
Have a great rest of your week,

Hey SWE Team!
17 DAYS TILL RELAY!
The race itself is on Friday, April 15th, until Saturday morning, April 16. BUT- we have tons of work to do before then! Our team goal is $1,000. So far, we have rasised 58% of our team's goal! Great work! However, we still need you all to follow up with the emails I have been sending out and join our SWE team by making a $10 donation.
After you join, you can send out pre-made emails asking your own personal network to donate (any amount makes a difference) to our SWE team. We need all the help we can get to reach our team goal.
Please contact Alexa or Anu with any questions.

Social

SWEsters! Volleyball is still going strong, last scheduled game is Monday at 7:30 in IM East, then playoffs begin with a different schedule. You must bring your ID to play. Looking for even more fun with SWE??? Picnic is Wednesday, April 20th at 5:30 at a local park, more details to come. The SWE Picnic is a traditional end-of-the-year event to which we invite several other engineering organizations. It is always a blast and a great way to hang out with friends and meet new people.

Happy Wednesday SWE!

Officer and E-board elections will occur at our next meeting on 4/13. I strongly encourage you all to consider running for a position; the benefits speak for themselves. Whether you wish to network, become more involved in the college, want experience to put on your résumé, or simply want to make friends - the list is endless! You have what it takes to be a woman in engineering, so you have what it takes to be an officer! Please don't hesitate to any email us!
