Vice President

Hello everyone!

I hope your school years have gotten off to a fantastic start! Albemarle is presenting on "Unlocking Innovative Thinking" today. We have three presenters, and their bios are as follows:

**Tyler Pierce**
Tyler graduated from Western Michigan University in May 2007 with a BS in Chemical Engineering. He has been a member of the Albemarle team for 2 and a half years. Tyler enjoys beach volleyball, soccer, and snickers ice cream bars.

**Becca van Houwelingen**
Becca van Houwelingen is a recent MSU alumnus, graduating with a Chemical Engineering degree in May 2008. She has been working at Albemarle as a Process Technology Engineer since June 2008. In her free time she loves reading on the beach, watching It’s Always Sunny..., and laughing with friends.

**Jen Hall**
Jen graduated from Michigan State in May 2009 with a BS in Chemical Engineering. While at MSU she was a member of both SWE and AIChE, serving as AIChE’s secretary last year. She started working for Albemarle as a Process Technology Engineer at their South Haven site in August of 2009.

Our next meeting is in THREE weeks (October 14) due to the career fair. Nestle will be speaking on Interviewing and Resume Tips and "Things I wish I had known before starting a career". If you
have any ideas for future presentations, please let me know! Good luck at the career fair!

Sophie Carrell, carrells@msu.edu

**Member Relations**

Hi SWE! I hope everyone’s beginning of the year is going well! Remember to keep coming to meetings and events, and keep earning those points!

I have decided that I will share a quote with all of you every week, and this week is going to start with one of my favorites: “The most wasted of all days is one without laughter.” -e.e. cummings

It's a good one.

Have a great week!

Gabriela Fratta, frattaga@msu.edu

**Outreach**

Hey girls!
We hope your semester is going well. We have Buddy Day planned for November 4th, so mark your calendars. We’ll send out a signup sheet once we get a little closer to the date. We are also planning to work with Woodcreek Elementary once a week for about 4 weeks starting in October, so keep your eyes peeled for more info!

Stephanie Bonner, bonnerst@msu.edu
Rachel Maurer, maurerra@msu.edu
Sarah Wagner, wagne130@msu.edu

Become more involved!!!!

**SEC/Public Relations**

As Student Engineering Council representative you attend all the general SEC meetings which are held about twice a month. There you will be the connection between the other student organizations and SWE. The public relations aspect to this position is to advertise for SWE. By making posters to put up in the halls and inform non members what SWE is up to. If you are interested in this position contact Lindsey Sietz at seitzlin@msu.edu.

**Corporate Opportunity**

ESD Fall Engineering and Technology Job Fair
Thursday, October 1, 2009
2:00 p.m. - 7:00 p.m.
Rock Financial Showplace, Novi
Admission Fee: $15
For more information about attending or exhibiting call 248-353-0735

**Need to contact any of the Executive Board?**
