President

Hey everyone!

I hope you had a successful time at career gallery and got some interviews or even just some connections out of it! Welcome back to SWE! It's been a while, but we have a great couple of weeks ahead of us starting today with Bosch! Next meeting is going to be on Halloween! I hope you'll take some time out of your busy schedule to come to the meeting for a Halloween party! We'll have a costume contest and the winner gets a National Membership!!! I already have a great costume planned :) feel free to send me any emails with questions about SWE and becoming a national member. It really is a great program!

Casey O'Donohue
odonohue6@msu.edu

Vice President

Jennifer Wightman graduated from Michigan State University in 2003 with a Bachelor of Science in Mechanical Engineering. This past year, she earned her MBA at Wayne State University. Jennifer has worked at Robert Bosch in Farmington Hills, MI since 2004 in a variety of roles, ranging from Gasoline to Diesel Systems. Her current role is Senior Account Manager for General Motors, where she is responsible for launching and invoicing several projects and engineering services. Please welcome Jennifer as she presents on “Leadership, Networking, and Mentoring.”

Alexa Jones
jones60@msu.edu

Secretary

I hope everything went well with Career Gallery! There are still tons of networking opportunities to take advantage of. Don’t forget to watch the Spartans beat the Wolverines this weekend! Then come celebrate with SWE girls with some cider and doughnuts at Uncle John’s on Sunday!

Maureen Berryman
berrym17@msu.edu

Treasurer

We’re voting on t-shirt designs at today’s meeting and the creator of the winning design will get a free t-shirt! Shirt sales will begin soon and we'll need volunteers. Please let us know if you are willing to help when the time comes! Thanks!

**Community Service**

Hello SWE Ladies,

We have an opportunity to volunteer with the Humane Society and care for the animals. There is a training that is required and a $10 non-refundable deposit required. The only training left for this semester is **November 17**. If you are interested in being trained contact us and we can connect you to the Humane Society. We will organize a day in the spring that we can all go to get trained. We are also working on getting a Blood Drive in November, so as soon as we know when that is, we will let you know. If you have any suggestions, please let us know! We are open to anything!

Thanks!

Morgan Hoxsie  
hoxsiemo@msu.edu  
Nicole Kueck  
kuecknic@msu.edu

**Outreach**

What up y'all

We are excited to say that we are finally all set up for outreach! Our first time going to Lansing STEM school will be next **Wednesday, October 24th from 10:30-11:30**. We will be going to the school to do awesome engineering related activities with a group of 4th graders. If anyone wants to come please do, the kids are really excited for us to start! If you want any more information, you can ask Laura or Nicole.

Laura Gumpper  
gumpperl@msu.edu  
Nicole Morgenstern  
morgens5@msu.edu

**Social**

Hey SWE ladies!

Our first social event is this Sunday! Come join us at Uncle John’s Cider Mill on **Sunday, October 21st at 11am**! There will be lots of fun things for everyone to do including a corn maze, wagon rides, and picking out pumpkins! Not to mention we can pig out on doughnuts and apple cider! Sign up through the Google doc! The Google doc was sent out yesterday, so sign up if you would like to go! In the doc, just let us know if you need a ride or are able to provide a ride for other girls, that way we can set up carpools accordingly. This is a great opportunity for everyone to hang out and get to know your fellow SWE members!

**Member Relations**

Hey Ladies!

If you have not already, you should think about becoming a National Member! In order to receive prizes from the points you have accumulated for attending meetings and other events, you must be a National Member - it also comes with a LOT of other perks. For those of you interested in joining a subcommittee, e-mail me if you did not get a chance to fill out the on-line form. Go GREEN! Beat Blue!

Leah Holoway

Corporate Relations

Hey Everyone!

I hope that all of you are enjoying (or surviving) this semester so far! There are a couple events that I wanted to update you on. Do you love Halloween and carving pumpkins? Then you should sign up for the Pumpkin Carving Contest sponsored by Marathon! It's on **Wednesday, October 24th from 1-7 pm** in the Engineering Lobby. Sign up at the Center of Engineering (the office across from Sparty's) solo or with a team limit of three people. It is first come first serve for teams so sign up as soon as possible! Another event we will be having the annual Canned Food wars beginning **November 1st**. If you have any spare cans or food, bring them to the Center and the engineering group that has the most cans (ours will hopefully win this year) will win prizes from Sparty cash to gift cards for restaurants and stores. If you have any questions about sign up sheets for the pumpkin carving or anything else, feel free to email me anytime. Have a great weekend!

WOW/Banquet

Hey Everyone!

WOW is fast approaching! We are looking for 5 members interested in WOW in order to form a sub-committee. The sub-committee will help make small arrangements for WOW, and carry out other tasks. Also, thank you to everyone that signed up to volunteer for WOW!
