President

Hi everyone!
We had a great time in Houston at the SWE National Conference! If you didn't get a chance to come with and really wish you did, don't worry, there's a regional conference in February! It's in Minneapolis, Minnesota and it's going to be so much fun! Registration just opened so feel free to ask any questions about conferences and please come along with us! If you are interested in a leadership position on E-board we will be holding elections on December 5th for 2 openings. A Social co-chair and Banquet co-chair position will open so keep that in mind as well!!

Casey O'Donohue
odonohue6@msu.edu

Vice President

Today's speaker, Marialuci Almeida from the Kellogg Company, will teach us what it means to be "Business Savvy." "Have you ever read a company's annual report? Can you make sense of the numbers summary?" Luci will show us how to understand the financial health of a company, how to have an intelligent conversation about it, and why this matters as an engineer.

Alexa Jones
jones60@msu.edu

Secretary

A group of 16 of your SWEsters, along with our two lovely advisors, had an awesome time at the SWE National Conference in Houston last week! Hopefully we can bring some helpful tips back and share with all of you the great experience we had! I hope you all consider going next year as well as attending our Region H Conference in Minnesota in February! But remember you have to be a national member to attend!

Maureen Berryman

Community Service

We are having a Blood Drive this Thursday, November 15 from 12pm to 5pm in the MSU Union. We need volunteers to help set-up, run and clean up the blood drive. The shifts are an hour. Please invite all of your friends to the facebook group. You can sign up to volunteer on the doodle poll. (http://www.doodle.com/67e5enc8rcq2gdy2) If you cannot volunteer for an hour, then come and give! See you on Thursday!

Member Relations

Hello SWE-sters!
It is getting close to being the home-stretch of the fall semester, and I don't know about you, but I can't even believe it! Keep up all the good work, and if you haven't yet, I STRONGLY encourage you to become a National Member (those who are national members, and continuously participate earn prizes)! In the spirit of Thanksgiving, I wanted to thank all of you for continuously developing yourself, and supporting SWE!
Have a good Holiday!

Outreach

Hi Ladies! Outreach had its second visit at Lansing STEM this past Wednesday and it was a lot of fun! We had the kids design and build tables supported by paper legs. The goal was to build a table, with a small tray as its surface that could support the weight of a heavy book. The kids got really creative and it was great getting to do the activity with them. The next time we go is November 21st from 10:30-11:30. If anyone is interest in coming, it would great to have more of you come!!!! Please let us know if you want to come! ;)

Corporate Relations

This month is the SOCC Canned Food Wars! Each non-perishable donated item gives SWE one point. All items are donated to the MSU Food Bank. You can drop off your donations to The Center in 1340 EB any time between November 1st and 21st. Support our Food Bank and help SWE to win the points competition!

Social

Hey SWE girls! We are still planning our last social of the semester, so watch out for an email! It will be after Thanksgiving break, and will be something small like going to the dairy store for ice cream! We want to get everyone’s mind off of finals for an hour or two!

WOW/Banquet

Hey SWEsters!

WOW is all done, and we will be starting to focus on hosting the Evening with Industry Banquet. Halle is leaving for study abroad in the spring, so a position will be open on the E-board! This is great opportunity to become more involved with SWE and gain leadership experience, so think about running! If you want to know more about the position ask one of us or anyone on the E-board!

Hey Ladies!!
Don't forget to check out the SWE website as it continues to be updated with useful info!
