Outreach

Hello Ladies!
Finals are coming up fast, hope everyone is starting to get prepared. Outreach is done with activities for this semester but don't be sad because we have an action packed spring semester. Some of the things to look forward to are Buddy Day, Girl Scout Day, Woodcreek (again), and we also have some high school visits and a Science day with some K-8 students. We will have more information next semester of course about dates and times. Hope finals go well for everyone!
Have a good holiday season!
