Community Service

Thank you SWEsters! It has been a great semester, and we would like to thank everyone who has volunteered to help out at the Ronald McDonald House and the Blood Drive. We are planning to get a big group together to go to the Humane Society at the beginning of next semester to get trained to be able to help out as well as some other great opportunities. We would also like your feedback about past and future events so feel free to let us know what you are thinking and/or if you have any ideas for Community Service opportunities! Have a fantastic break, and we look forward to seeing you all next year!

Outreach

Hi Ladies! We had our last visit of the semester at STEM this past Wednesday. We did an egg drop experiment with the kids where they had to build a container around the egg that would keep it from breaking. They only had straws, popsicle sticks, and tape as the materials available to make it. They had a lot of fun with this experiment and made a lot of cool designs for their containers. We will get started again with our visits at the beginning of the semester, but the time we go to visit will probably change. We will keep you updated when SWE starts back up again. I hope you all have a fantastic holiday break! :)

Social

Hey SWE ladies!

Our last social event of the semester is tonight! We will be going next door to Anthony to the MSU dairy store! After the meeting we will round up any girls that want to go get ice cream together. We will relax, eat some delicious ice cream, and be able to forget about finals week for an hour or so. Hope to see you all there!

Member Relations

Hello Lovely Ladies (and gents)! I hope you are all rocking your ugliest seasonal attire. Today we will be presenting gifts to those of you who attend SWE events, as a thank you for your participation (although, you must be a national member to win). This is one more perk of becoming a national member (along with vast scholarship funding, discounts, development programs, etc.. Don't forget to join us after for some dairy store ice cream, just what the doctor ordered before finals.

Merry finals and to all good exam scores!
