Happy Holidays!

President

I hope you have all had a fabulous semester! It’s been a great fall/winter for SWE and I’m excited to see everyone back again in the spring! Some things to look forward to are the regional conference at University of Illinois, Urbana-Champaign, E-Week and all the associated activities and of course our Great Lakes Regional Conference! Be sure to keep an eye out for information on all of these great events at the beginning of next semester! Enjoy your breaks and good luck on finals!

Vice President

First of all I’d like to thank you for coming to all our meetings this semester :) Your presence is what makes this organization what it is. I’m in the process of setting up meetings for next semester, so if you have any companies you’d love to see present or topics you’d really like to see covered, please let me know. Good luck to those of you participating in design day and to everyone on finals! See you in the spring :) Sophie Carrell carrells@msu.edu

Treasure

Thank you for a wonderful semester! Lauren and I truly appreciate all of your help selling the t-shirts during the past few weeks. Tomorrow (Thursday) will be the final day this semester that the t-shirts will be available. We may have an additional fundraiser next semester. Please let us know what you think!

Community Service

Today is our holiday party, so make a card to give to a senior citizen in a nursing home! Good luck on finals and have a wonderful holiday break, and see you next semester! We plan on having more Ronald McDonald opportunities. Hopefully we will be able to do Habitat for Humanity with IEEE. We are also going to have a Relay for Life Team! More information on that later.

Outreach

Hopefully you’re not too stressed out with finals and design projects. We just wanted to let you know what we’re planning for next semester. We will have Girl Scout Day during Engineers Week in February. We will also have more Woodcreek visits at the beginning of the semester and a few middle school visits. Good luck on finals and have a great break!

Member Relations

We are almost done… let’s just get through finals! I know there’s probably a lot of stress
going around right now, so just to brighten-up this week of studying, I have good news: prize winners!
This semester, the following members are being awarded for their involvement...
With 5 points or more and their choice of a College of Engineering lanyard or car sticker:
Allison Mills, Chelsea House, Eva Reiter, Gabriela Fratta, Katie Worley, Luseane Tangataveha, Michelle Flachs, Rachel Dalian, Rachel Maurer, Sarah Miksa Sarah Mozdrzech, Sarah Stoner, Sophie Carrell, Vanessa Stuart

With 15 points or more and a coupon for ice-cream at the Dairy Store:
Christina Barry, Danielle Vasko, Kaitlin Tyler, Lauren Blair, Linsey Seitz, Sylvia Reiser

And our two grand prize winners, with 25 or more points and their choice of a gift card to Noodles & Company or free gas to the SWE regional conference:
Catherine Dudgeon, Chelsea Frid

Nice job and way to be involved, girls!
And a big congratulation goes to Chelsea Frid, who actually had 38 points! The point system keeps going next semester, so make sure you renew your national membership and continue to become involved! And just a little encouragement for the end of your semester:

Social

First I would like to say, it has been a wonderful semester with all of you, thank you for those of you who attended our events, if you couldn't make them, don't worry, we'll have plenty next semester. But for now, relax and enjoy your break! Good luck on finals and we'll see you next semester with more fun social activities! As part of a study break from us to you, we've attached some coloring pages in the back, grab some crayons and enjoy! For more fun, here's the website of the biweekly:

Corporate Relations

Events like the Region H Conference, Diversity Career Fair, Engineering Expo, as well as the annual Banquet.
Michelle Flachs flachsmi@msu.edu
Luseane Tangataevaha tangata1@msu.edu

Banquet

We are busy planning this year's Banquet and are excited to announce that scholarship applications are soon to be available! There are two different applications, one for the SWE Alumni scholarship in which you must be a National SWE member and another for company-sponsored scholarships. These applications will be available online and in paper form in the Center. These are due by January 22!!!
Banquet will be held February 17 at 6:00 PM. We are still looking for a keynote speaker and will let you know when we find one! RSVPs for Banquet will be available shortly after we return from break. Good luck with finals and have a happy holiday!

Great Lake State Conference

Happy End-of-the-Semester!!!
Hopefully your finals aren't stressing you out too much, but if they are then just think about all the exciting SWE events you have to look forward to next semester :]
The planning process for next semester's Great Lakes State Conference is underway! The conference will be held towards the end of March, so be sure to keep your calendars free. Great Lakes is a conference where SWE girls from all over the state of
Michigan come together on our campus for a day full of fun engineering events, as well as some exciting activities. Keep your eyes peeled for more information starting the beginning of next semester. Have a great winter break and happy holidays!!
