Submitting a paper for SEAL 2010 by using EasyChair

1. Open your browser and go to: http://www.easychair.org/conferences/?conf=seal10
2. You should see a page like this:

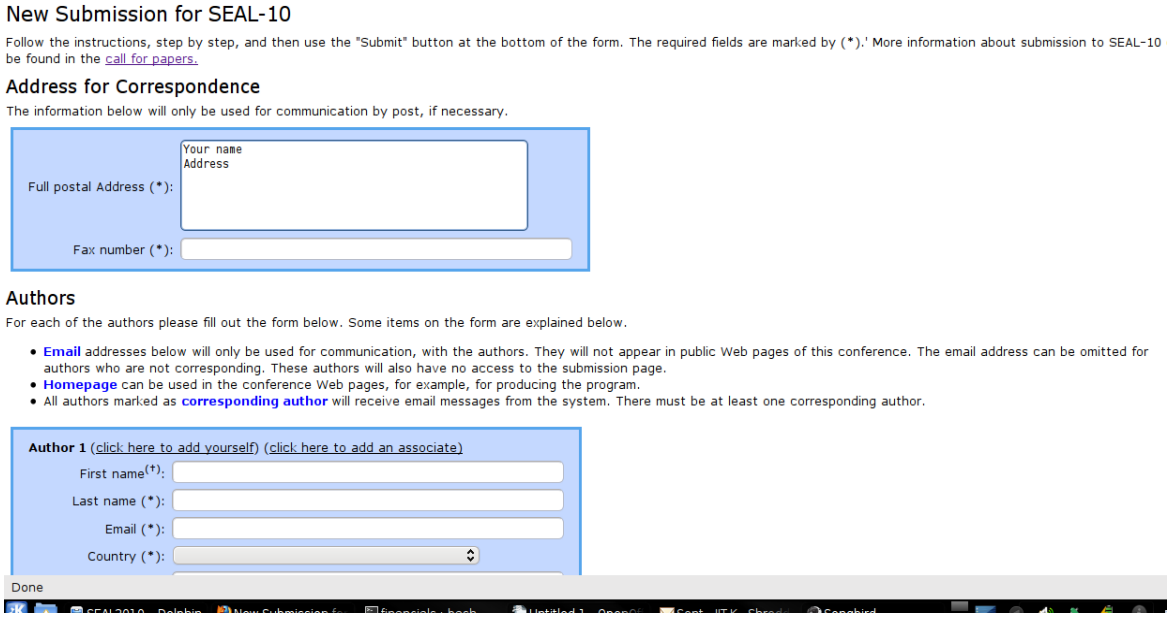

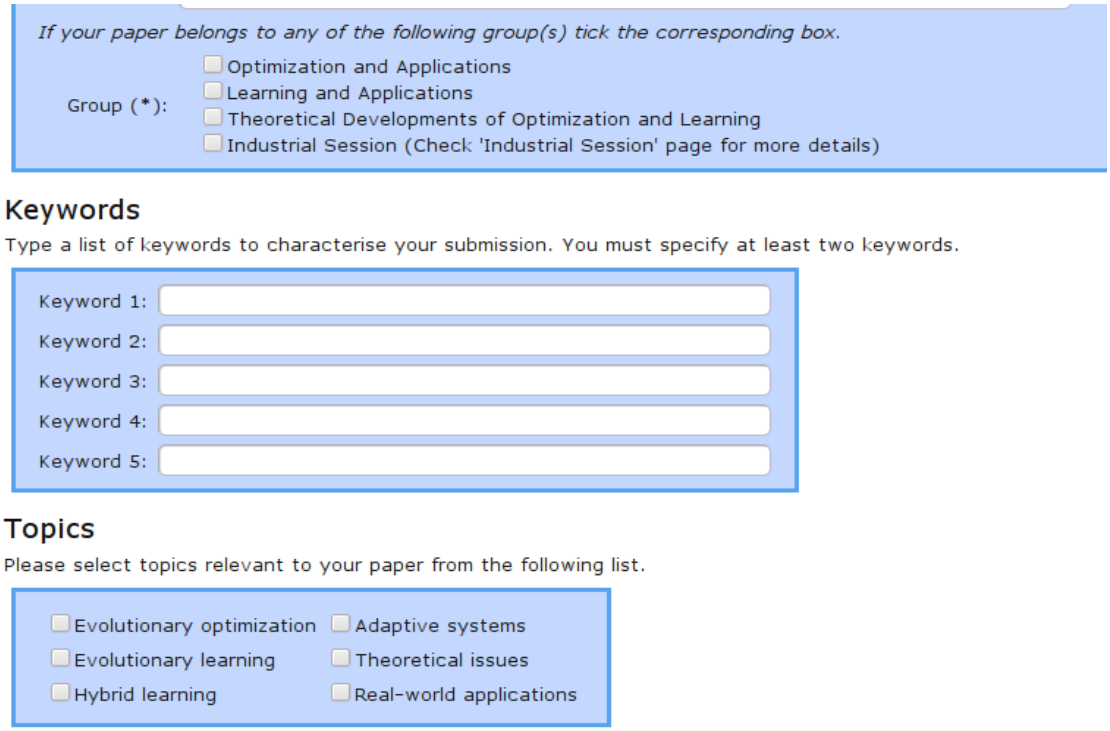

3. If you have a EasyChair account, please enter your **username** and **password** in the above window (*else see below for further instructions*). Once you are logged in, you should see a page like this:

4. Click on "New Submission" to proceed with submitting your paper. There you can enter your paper details and finally hit **SUBMIT**

On the submission page, you will be asked to select a group to which your paper belongs. Please select ONLY ONE group. Also, type in few keywords that best highlight your work. Finally, select the topics relevant to your paer. All of these will ensure that your paper is reviewed by the most suitable reviewers.

Once your paper is submitted you should get a confirmation email. If not, please get back to us via email at seal10@iitk.ac.in

If you do not have a EasyChair account, please click on "Sign up for an account" and follow the subsequent steps, and then go back to step 3 above.

Manuscript preparation Guidelines

1. All the submitted papers should adhere to the LNCS templates (http://www.springer.com/computer/lncs?SGWID=0-164-6-793341-0)
2. Also, note that we are accepting **only PDFs**, and not .doc files. We strongly recommend you to use **LaTeX** for your manuscript preparation

PLEASE MARK YOUR CALENDAR FOR THE FOLLOWING DEADLINES:

05 July 2010 : for submission of full papers
16 August 2010: Notification of acceptance
03 September 2010: Deadline for camera-ready copies of accepted papers
1-4 December 2010: Conference sessions (including tutorials and workshops)

An **INDUSTRIAL SESSION** is planned during the conference with significant industrial applications of Genetic and Evolutionary Computing Algorithms and Machine Learning methodologies. Please encourage your industrial partners to put up a stall and/or submit papers/contributions. For details, contact **Kalyanmoy Deb** (deb@iitk.ac.in) or **Varun Aggarwal** (varun@aspiringminds.in).

All the best, and please get back to us at seal10@iitk.ac.in in case of any queries/comments/suggestions.
